Hey, there you are. Cool. Feeling mellow? We are, because this is no ordinary issue of Club. This is your **EASY LISTENING SPECIAL**, coming to you straight from the heart of London. We're laid back and langorous, chilled out and sensuous. We're being nice to everyone. So open a £2.99 bottle of Mateus Rosé, spark up a Hamlet, stick the Orb on the hi-fi and slowly peruse every glowing inch of the lush ladies over the next 100 pages.

You see, not everything in life has to be done at 190bpm on full volume. Sometimes it's fine to feel just fine. Sometimes it's good to say "No thanks, I won't have an E this morning. I'll have a nice milky coffee with two sugars while I flick through the papers."

But the Easy Listening life isn't all tank-tops and Reactolite sungalsses on a rainy Sunday;

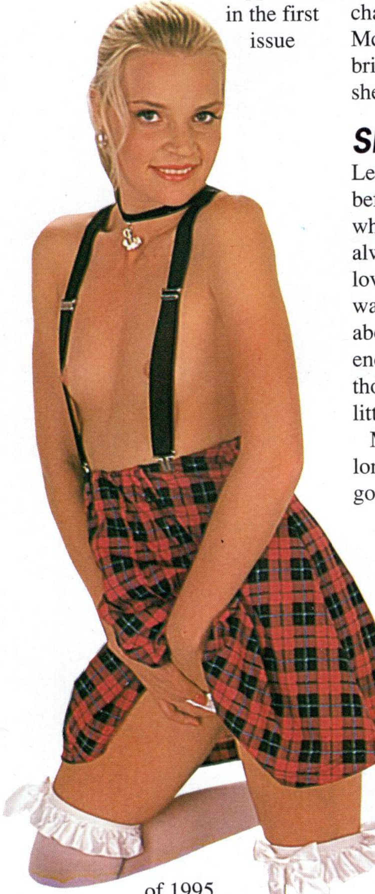
A WEE CRACKER!

Words fail me... I can't thank you guys enough for revealing the most delicious and desirable woman to have ever appeared in your magazine. I'm talking about Patricia, the sexy Scots siren who appeared in the first issue of 1995 (Club Vol 24 No 1).



I'll be the first to admit that I've never been North of Watford and I've never experienced Hogmanay (Christ, I can hardly even say it!), but if Patricia's looking to invite a tall, dark man into her bedroom next New Year then I'm her man!

This woman is so hot that my cock was burning up just looking at her. Her figure is amazing, with curves in all the right places and a bum that just begs to be lovingly stroked and caressed. Blimey, if all the women are like that up in Scotland then I'm on the first train out of Kings Cross

Tell Patricia if she wants a soft Southern bastard to massage her temples, throw rose petals at her feet or, more importantly, shag the arse off her then I'm ready and waiting. Christ, I'll even change my name to Rob McRob and dye my hair bright orange if that's what she wants! – *Sam, London*

SEX ON TAP

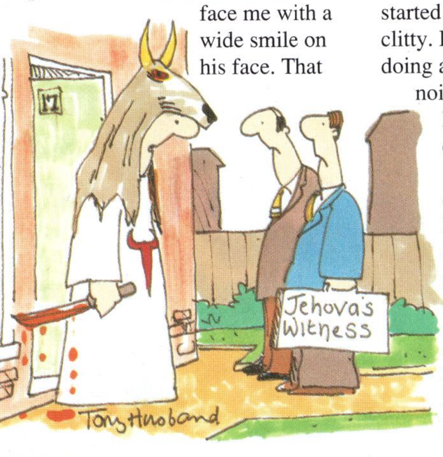
Let me get one thing straight before I go on: I'm a woman who simply adores cock. It's always been the same – I love fucking men and can't wait to tell all your readers about one of the sexiest encounters I've had. First though, let me tell you a little bit about myself...

My name is Jane, I've got long, silky brown hair, a good figure and a large pair of pert breasts. I work as a receptionist for a car maintenance firm. The job's fairly dull but I keep my spirits up by fantasising about shagging Richard, one of our mechanics.

One morning last week, I came into work and decided that by the end of the day I was determined to give Richard a shagging that he'd never forget. I was dressed in my sexiest clobber: black stockings and suspenders, mini skirt and a low-cut top that showed off my Mickey Mouse tattoo (and my tits!) to perfection. Oh, and I left my knickers at home!

I knew that Richard always started early in the morning, so I got into the building before him so he'd get a sexy surprise when he saw me. Lounging around on a desk beside his locker, I hitched up my skirt to reveal my stockings and waited. When Richard arrived his eyes almost popped out of his head! "Good morning, Richard," I breathed huskily. "I just thought I'd watch you change into your overalls. You don't mind, do you?"

Richard shook his head and smiled brazenly. "Of course not, darling," he laughed. He unbuttoned his shirt and dropped his trousers and then turned to face me with a wide smile on his face. That was it, I couldn't resist him a moment longer and I moved closer and kissed him passionately, my tongue snaking deep inside his mouth.



It's a bit inconvenient now. Can you come back?

I've never been shy about getting what I want, and at that moment I wanted to get my hands on Richard's cock. "I'm going to pull your boxers down and see what I find inside," I giggled, dropping to my knees. I slowly pulled his underwear down and out sprang his cock in all its glory, stiff and ready to be sucked. I couldn't wait to get my mouth around it and I greedily lapped at his shiny bell-end with my tongue.

Richard started pulling off my clothes and then he slid a hand between my thighs and started gently rubbing my clitty. He knew what he was doing and I soon came noisily, still sucking lustfully on his engorged cock.

Then pulling his cock from my mouth, I spun around and demanded to be fucked right there and then. "Let's do it on the desk," I yelled. Richard grabbed me by the waist and hoisted me onto the top of the table. Spreading my legs, he aimed his cock towards my pussy and then thrust inside me in one swift movement. I was in shagging heaven and deliriously screaming my head off

HONG KONG BLUEY!

Girls have taken it lying down for far too long. Now they're fighting back. Club reports on the video tasty that aims to get even

Looking down the barrel of an M16 with a gorgeous angry girl on the trigger end could mean one of two things: (1) your bird has found out about the night you spent in a water-bed with her twin sister. Or (2) you've walked in on the new action video, *Deadly China Dolls*.

Ever since Quentin Tarantino plundered the Orient for *Reservoir Dogs*, Hong Kong hero films have become the new post-piss-up Chinese take-away. First came John Woo's *Hard Boiled* which forced us to watch our first subtitled film since *Betty Blue*. Now comes Godfrey Ho's high karate kicking *Deadly China Dolls*.

The point of most Hong Kong films seems to be to stain as many crisp white shirts as possible with blood, and this film is no exception. What is different is that the people pulling the

It felt amazing, getting rampantly fucked by this big-dicked mechanic and I felt myself nearing a massive orgasm. "Suck my tits too," I yelped. "I'm almost there!" His mouth moved onto my nipples and he sucked and playfully chewed them until I let out a massive scream and an orgasm shot through my entire body. My juices leaked out over the polished table and my bum slipped a little as Richard reared up and delivered a load inside me. It took us quite a while to get our breath back.

Richard and I even arranged another little meeting later on in the day – in the back of the boss's Daimler. We only had an hour for our fucking frolics, but we certainly made the most of it, believe me! – *Jane, Truro*

If you've ever wondered what holiday couriers do on holiday (and why it isn't with you) then here's Olivia to explain.

"After six months of crowded discos, wine bars and men chatting me up, I just want to be on a beach by myself," claims the 21-year-old Manchester girl.

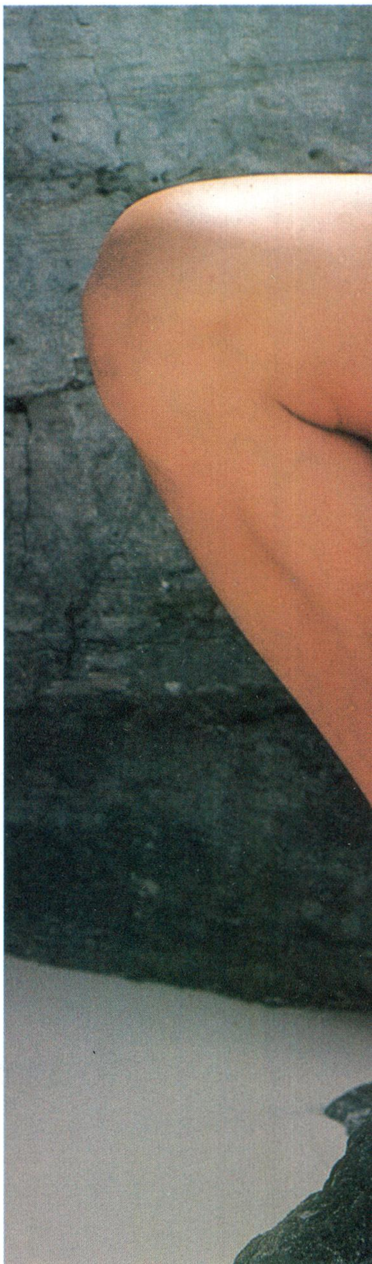
But what about... er... sex?

"It has to be a long sensual seduction from a tall dark

romantic man with slow hands that gently caress my body," she says matter-of-factly. "Fortunately I know this island with just such a man."

And for the rest of the year?

"I'm open to offers," says Olivia, "but be warned, a quick grope after half a dozen San Miguels just won't do!" ♣



READERS' LIVES

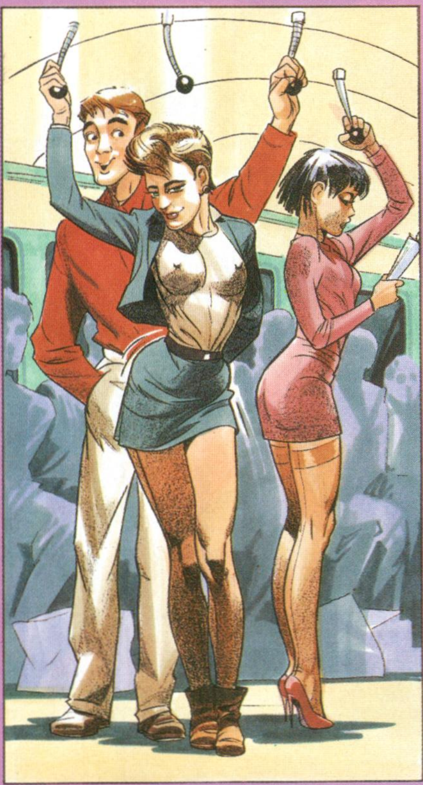
The trip to work had never been so exciting for gimpy **Gavin Porter**, but had he pushed his luck, and his dick, too far?

I reckon that I'm a reasonably well-informed chap. I can tell you who won the FA Cup in 1970 (Chelsea) and I can even complete at least half of the quick crossword in the Mirror. But even with this amount of inconsequential knowledge, I still didn't know what 'frotting' meant. Well, not until it was too late.

Every morning I take the Underground to my job in a bookies in the middle of town. I get on the Central Line at Leyton and get off at Tottenham Court Road. It takes about twenty minutes and is always choc-a-block with long-faced commuters. The trip is rarely anything but tedious as you sway shoulder-to-shoulder packed into tiny carriages that makes a cross Channel livestock ferry look like a luxury Daimler. Last month, though, things became very interesting.

I always get the same position inside the end carriage. I ride crammed up in a corner by the driver's carriage just by the poster that tells you to keep your Walkman down. I can just about get enough of my paper open to read the sports pages. Last month I was standing in my usual place reading about Ryan Giggs when I began to notice that the woman in front of me was gradually pushing back gently against me. This is common enough on the tube because of the crowding. I thought nothing of it. The next day the same thing occurred, in fact it went on for over a week. Every day I'd go to my usual place on the tube and every day this attractive perfumed woman would gently brush her body on my groin.

As the days went on I began to push forward, gently at first, so I could pass it off as accidental. Day by day I moved forward a little bit more every time, and she moved a little bit back. Every jolt and brake of the journey was used to get closer to my new friend. The response sent me into heady nervous excitement. The harder I pushed forward the harder she pushed back. Over the following weeks we met, same time same place, never uttering a word. Gently rocking ourselves into near orgasm in the close confines of a Central Line tube train. Getting to work had never been so good.



The harder I pushed forward the harder she pushed back

We would occasionally start to exchange glances and smiles as we got off the train. She was very cute in a domineering kind of way. She had one of those tough but attractive faces that shout out 'I'm in charge, pal'. She really gave getting up to go to work a whole new meaning. The idea that we may one day go off somewhere and consummate our unspoken relationship was fast dawning on me. Each morning was like Friday night. My best clothes, my Kouros aftershave, my hair gel. It was a fascinating, frightening and fantastic experience.

I spoke to her for the first time after about a month. She had been absent for a day and I had been in panic mode. I remember it well because the papers and TV were full of the news of a prison breakout just around the corner from me. The area was sealed off in an attempt to recapture the cons on the run. It was a wild day and my woman wasn't there.

When she was back the next day, a Friday, I immediately whispered to her my very first words: "I missed you." She turned half way to look at me and said "Me too." I was wild with passion. Our rubbing was now expert and we made it count that morning. I could hardly contain myself. "I must see you," I said to her.

"Monday," she replied.

I had a mad weekend. I couldn't stay in. I was raving the whole time. I was trying to forget how excited I was by the promise of a raunch up with my mystery woman. I didn't sleep. I must have looked a mess on the morning of my soon-to-be-superfuck. We saw each other once more. We rubbed, but this time she got off at Tottenham Court Road as well. We held hands, I swear my cock was trying to get out of my trousers and introduce itself to the rest of the passengers. We left the station and ducked into a toilet. I know it's seedy, but where would else would you go? I knocked out a line of charlie of the cistern and offered her some, she declined, the flat of her hand was pressed up against my zip. She was purring. I was on fire. She said her name was Deborah. She said she liked bondage. My heart was leaping like a spring lamb. She pulled out some gleaming silver handcuffs and fixed me to one of the pipes. She asked me my full name. I told her.

"Mr Gavin Porter, I hereby caution you for the charge of indecently and openly frotting in a public place, a tube train, plus possession of what appears to be a controlled substance. Anything you say may be taken as evidence and may be used against you..."♣

PUFFED-OUT POLLY

You've got to pity Kenny, a North African grey parrot. The bird was owned by a compulsive dope smoker in Los Angeles who didn't realise the effect his puffing would have on his prize pet. Sadly it was only a short step until the bird got hooked on crack cocaine, cannabis and LSD. But what sounded like a swinging time came to an abrupt end after Kenny's owner checked into rehab – bringing the parrot with him. After twelve months of treatment, Kenny is now straight. Mike is glad that they recognised the problem before Kenny resorted to the crime often associated with crack addiction. "I've drugged-up seen parrots do anything for a fix," says Mike, "including fly-by shootings.."♣

ON YER BIKE

How many bikers do you know riding around with about £95,000 worth of jewellery squeezed between the cheeks of their arse? Not that many, we bet. Well, that's the price of this one-off Ducati *Monster 900* as supplied by Garrard the Jewellers, Regents Street, London.

Both the tank and bodywork are hand-finished in blue enamel, whilst the frame is made from 24-carat gold. Of course, if you're going to pay so much for your wheels you can't cut corners on a helmet. Just ask Billy Idol. Thankfully, Garrards have also produced a 24-carat, gold-plated helmet that can be yours for a mere £2,750. Now you're all set to burn rubber – that is if you can handle riding around on a machine that will last about three seconds parked anywhere outside your lounge. ♣

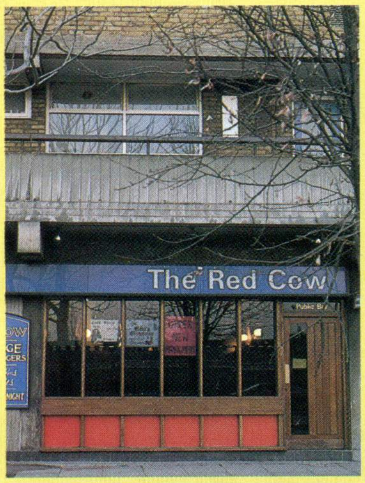
drove him to find a way of bringing his fishy friends along. Slicing away the tail gates of his Chevrolet pick-up he installed a filter, air tube, a fish tank and twenty of his closest goldfish. And hey presto, his scaley pals were on the road! But what our friend forgot was a cooler so after driving five miles Jean found that his friends had been boiled alive. And we say, good.♣

GRUBBY PUBS

Poncey bars selling crap, over-priced beers are opening all over the bloody place, moans **Peter Jacks.** Whatever happened to the proper pub, eh?

The country inn, roses rambling round the door, a fire burning in the grate, rustic characters on polished oak settle down and start clicking dominoes, and a ruby-faced landlord smiles heartily as he sloshes a foaming flagon of ale across the gleaming bar top. Yeah, we hate all that *Darling Buds Of May* crap too.

When we go for a drink, we look for a place with real character. Our favourite hostelries are located on inner city streets so desolate you wouldn't be surprised to see a tumbleweed; or in the kind of council estates where the residents have rented out their gardens to a local landfill contractor. They are modern pubs fashioned from breeze block and concrete, designed by the architect of Hitler's Berlin bunker, with windows that are darkened slits gazing blearily out at you like Oliver Reed after a six-month bender. They have unlikely names such as *Rockerfellas* and *The Haywain*, a car park packed with GTI's – many of them still smouldering – and bouncers on the door who chuck people in instead of out.



These are pubs where the holes in the ceiling were put there by bullets not woodworm, the slashed backs of the seats gape like the mouths of morons and the cigarette machine coughs phlegm and offers to sell you ten lighters for a quid. They are the places where the pub grub is a maggot in the urinal and the regulars think Vinny Jones is "a poove". The only time there's a roaring fire is when the landlord attempts an insurance fraud.

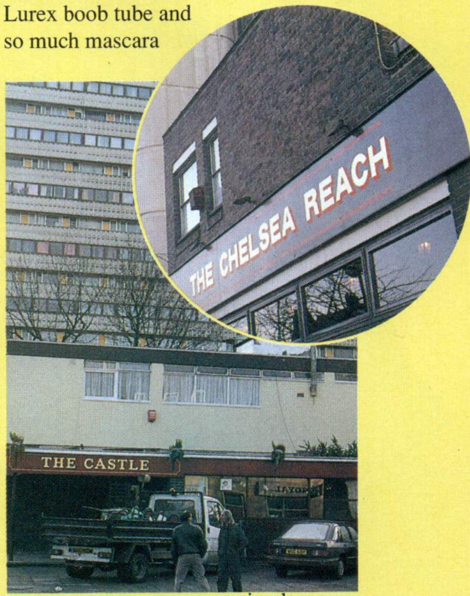
Real ale has never been in fashion in these pubs. The barman thinks that Kentish Hops is a type of diarrhoea you get from eating rotten whelks in Margate. The beer comes not in wooden casks from a Georgian brewery deep in rural Suffolk, but in vast tankers from a massive industrial plant in a former communist country. It contains more chemicals than Paul Merson's bloodstream. Once they got the oil and lager deliveries mixed up. Nobody complained. The vodka looks like urine; the whisky tastes like it. It was bought from the back of a transit off a dodgy bloke from Essex who insisted that Glenn Hoddle was a valley near Inverness. The drinks are all watered down and the optics give short measures. You'd get drunk quicker by kissing Liz Taylor.

THE CHOPPER
THE KING WILLIAM IV
FOOD
WINES
BEERS

The landlord is a large man who was rejected by the Foreign Legion as too violent. The only thing you've ever seen that's more scarred and pot-marked than his face is the surface of the pub's pool table. Ask him for a straight glass and he'll stare at you and growl, "Are you saying some of my glasses are queer?" His idea of a sophisticated cocktail is a pint of black-and-tan with a Scotch egg floating in it.

The barmaid has beehive hair the colour of sulphur, skin like chip fat and Spandex leggings so tight she can only get into them with the aid of a sausage-stuffing machine. She has a fag welded to her lower lip. She'll do anything for a fiver. Except serve you.

The landlord's wife smokes like a chimney. Well, what can you expect when your son's an arsonist? She wears pink nail varnish, a Lurex boob tube and so much mascara opening her eyes is the equivalent of bench pressing 250 pounds. She wanders about the place singing Phil Collins' songs and picking hardened chewing gum off the venetian blinds. She has no idea of cleanliness. The 'Now Wash Your Hands' sign is on the inside of the front door.



Fat blokes stand around laughing raucously, their bellies wobble and their shell-suits rustle producing enough static to power the national grid. From the games room comes a familiar click-clack sound. "Is someone playing pool?" you ask. "No," the regulars grunt. "They're breaking a grass' fingers".

Entertainment here is limited. The Sunday stripper is so ugly that when she appears on stage men shout "Don't show us your tits!" The nearest they get to a karaoke evening is when a drunk sings *The Theme From Fame* to the percussive rhythm of a head being beaten against a wash-basin by a disgruntled loan shark. The only computer game is fiddling VAT on a pocket calculator. The winning line on the fruit machine is three rotten apples and a nutcase.

Yes this is the sort of pub we like. One where the glasses are dirty, the staff are surly, the patrons are dangerous and the condom machines deal sulphates as a sideline. In short, a traditional British pub. A home away from home. ♣

tina hayes sex babe!

Hiya fellas! Welcome to Club's very own horny holiday brochure... starring me! I've been reading a whole load of those glossy hand-outs and reckoned I could do a much saucier one, so join me at my very hot spot, the lust resort of Minockas!

Everyone should see Minockas, a beautiful brown hilly area just north of the bushy isle of Mifani. Great to roam around, it's well worth spending some time on Minockas before descending those twin peaks and grabbing a quick mouthful in the deep forest of Mifani. Munch away to your heart's content! Mifani's always open, welcoming new people to its warm, wet interior. So pop inside, I reckon you'll lap it up!

One warning though. As you can see, both Minockas and Mifani can be very wet so it's as well to be prepared or you could end up with damp trousers!

Okay, joke's over! But I did enjoy this excuse to get a little early summer sun just for you. Now I've got a lovely tan ready for your next requests. Come on, let me have it! After doing these pictures, I'm very very hot – so make it a good one, please...

letters to tina

Dear Tina,
I know that you get a great deal of letters from men, but here's a letter from another woman. I just had to write in and offer my thanks after seeing you fulfill one of my fantasies – I'm talking about the pictures of you dressed in rubber that appeared in the last issue of Club (Vol 24 No 1).

I've always liked the idea of wearing rubber, but I've been a little too shy. After seeing your sexy photographs though, you inspired me – why couldn't I be more like you? My boyfriend says that I've got a great body and I should show it off more so I decided I'd take him at his word.

I went out and bought myself a set of rubber underwear: a black peephole bra and a black g-string and decided to surprise him when he came home from work one evening last week. I called him up to the bedroom and he came in to be

met by the sight of me lying back dressed in my rubber gear with my legs spread and my fingers buried deep inside my cunt.

I don't think he could quite believe his eyes; but he got more of a shock when I started recreating all your poses from Club, and acting like a right little tart! Suffice it to say, he was overjoyed and we ended up fucking like we've never done before. Thanks for inspiring me, Tina, and I look forward to seeing what'll you'll be coming up with next month. By the way, I just want to say that if I ever get round to sleeping with another girl you'd be top of my list, Tina! – *Clare, South London*

Well thanks, Clare, and I'm glad that I could help. It's good that you've become less bashful in bed, after all that's where you can have the most fun. Let yourself go and turn a few of your fantasies into reality. You'd be amazed at the dirty things you'll do once you've binned your inhibitions.

Dear Tina,
I felt that I just had to compliment you on what is undoubtedly your best feature – the most perfect breasts I've ever seen.

I've always been a tit man; the sight of a pert pair of tits, perfectly proportioned and with dark pink nipples just sends me crazy with lust. I'd give anything to get to grips with your funbags! I'd spend hours just playing my tongue over your warm mounds of flesh and licking and sucking on your sensitive nipples. Then I can just imagine thrusting my stiff cock between those twin orbs of delight till I shot my load and coated your breasts in my spunk.

So, tell me, Tina, do you think your tits are your best feature? – *Zak, Lincoln*
Oh, I'm far too modest to answer a question like that! I do get lots of letters complimenting me on my breasts. But then I also get plenty on the subjects of my bum and pussy too. So I only hope that if you got as far as my tits you wouldn't ignore the rest of me. ♣

In every decade many records, half-baked projects and musical innovations slip between the cracks. They are – in their time – banal, impractical, 'too far out' or not even noticed. Many of these records are only later discovered when the future catches up with them, and only then their real merit (or lack of it) and appeal is respected. This was the case surrounding the popularity of Rare Groove in the 80s and now, in 1995, with the rising popularity of a London club that champions 'Easy Listening' and the growing appeal of weirdo music.

In 1967, Murry Wilson, estranged father of Beach Boys Dennis and Brian, sought revenge on his sons for what he saw as their betrayal. As the Beach Boys got ready for the release of their all time rock classic *Pet Sounds* (Murry considered it hippie drug rock) dad fired his own trumpet, *The Many Moods of Murry Wilson*. The cover shows sexy girls on the beach, an attempt to return to what Murry considered the Beach Boy family's real roots. The music is mutant pots-and-pans percussion and empty-cocktail-bar madness. Needless to say, in 1967 in the shadow of his children and the flourishing Summer of Love, Murry flopped. The *Many Moods* album now fetches in excess of £40 at collectors shops and is a must for any self-respecting Easy Listening DJ.

Martin Denny wasn't actually undiscovered in his time. He had a number one with *Quiet Village* in America. Denny's music sounded like a tropical holiday on a fantasy island. The covers of his records, with their sexy girls in paradise, reflect Martin Denny's sunny vision. At his most prolific in the 1950s, Martin's Latin rhythms of congas, bells, bongos, piano and trademark bird noises still outreaches, in 1995, most so-called ambient techno.

I play records that no-one's ever heard, they weren't even listened to at the time they were made

Traditionally, 'breaks' were the funky drum solos at the start of James Brown and Bobby Byrd records. Looped and continually repeated, they formed the backbones for rap and modern dance music. Now James Brown

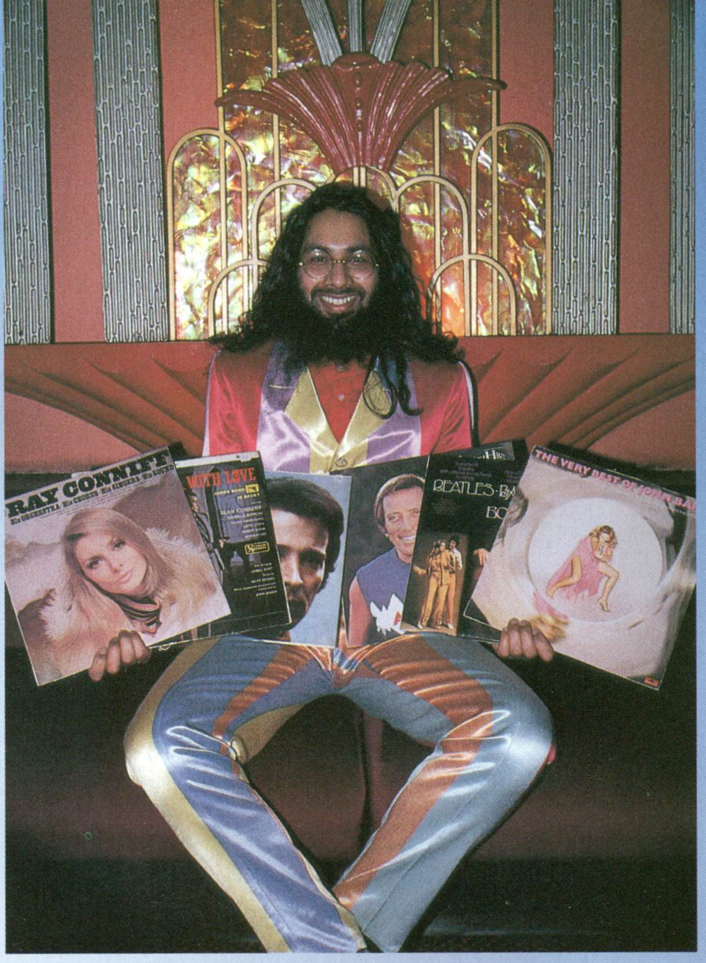
and his mates' beats have been worn out, the search for new beats has sunk to insane depths. In 1995 the most sought after break beat amongst DJs is one featured on the 1975 Christmas Playschool album!

For a forthcoming release, acclaimed London DJ and Easy Listening guru, Martin Greene, has compiled an album of ridiculous tracks for EMI. Plundered from the bowels of EMI's sordid past, the album's swan song will be a Moog synthesiser version of *Jesus Christ Superstar.*

The Moog synthesiser was developed by Robert Moog in the early 60s. It resembled a telephone switchboard and late 60s and early 70s music was characterised by its psychedelic blur. Albums and albums of Moog compositions can still be found at car boot sales and over-the-odds collector shops. Moogs, sitars, tropical noises and BBC orchestras are all inherent with much of what is being touted as Easy Listening.



"What you need at an Easy Listening club is loads of sleazy women and men, cocktails and, hopefully, sex at the end of it. That's the whole point of it, basically," according to London DJ, Frazer.

7) John Schroeder *Witchi Tai To*
8) Caetano Velose *Alfomega*

Frazer is 28 years old and regularly DJs at London club, Magic. Ever since Frazer heard The Beatles ("It freaked me out, they were going through their psychedelic period") he's had an insatiable appetite for obscure and extraordinary records.

So what is it that you actually play?

"Weird shit. But it can be obscure, Easy Listening, weird rock, Moog."

"Trash," adds Frazer's accomplice.

"It's not trash, because I make a lot of money out of it basically. I sell these albums, I made a hundred quid the other day in ten minutes."

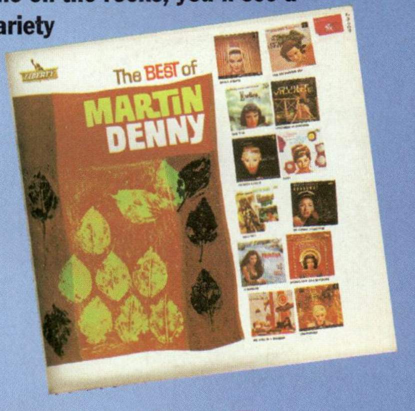
So where do you find a record like Lord Sitar's *I Can See For Miles* (a sitar rendition of The Who's hit)?

"Anywhere, especially car boot sales."

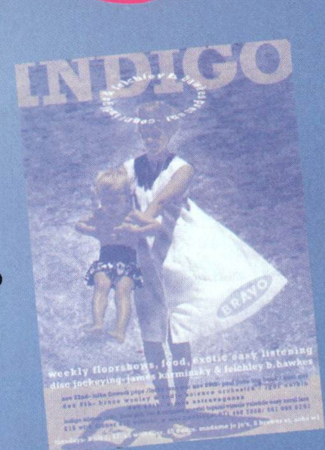
What do you make of the supposed Easy Listening revival?

"It's a load of bollocks really. It's just a backlash against all the other forms of music – everything else has been plundered except Easy Listening. People ask me why I play old records. I play records that no-one's ever heard, they weren't even listened to at the time they were made."

Every Tuesday at Madame Jo Jo's in the heart of swinging Soho, Count Indigo and Felchley B. Hawkes present Indigo, the nation's premier Easy Listening club. In the spirit of going out to the local Top Rank, Indigo is a 'proper' night out. After a queue in the rain, you're escorted to your table by a sexy waitress.



Comfortable and with a strong one on the rocks, you'll see a variety of top class acts, from belly dancers to ballroom dancers. Between acts and drinks, Felchley B. Hawkes and James Karminsky, Indigo's other DJ, subject their audience to a sonic barrage of Easy Listening music.



"I used to DJ for sick old people, but now I do it for sick young people," says Felchley, an ex-Iron Maiden fan who cut his Easy Listening teeth at an OAP's club. Already receiving press in magazines like Harpers and ID, Indigo provides further evidence that what is traditionally car boot sale music has become the cutting edge in a music industry that's run out of ideas. Still, it's a good laugh if nothing else.♣

Oh, it's a hectic life we lead. Up at the crack of dawn, struggle to work, struggle at work, battle our way home, only to collapse exhausted on the bed where we can't fucking sleep because we're too wound up. So what do you do? Get lagered? Get stoned? Lagered and stoned? No! Simply adopt a softer, all together more relaxed approach to life, the Easy Listening way. Out with those nipple rings and leather trousers and in with roll necks, slacks and Cossack Hair Control! Say "Catch ya later guys" to Nirvana and Oasis and give a "Hello, good morning and welcome" to The New Seekers, Gilbert O'Sullivan and Smokie. Use phrases like "for my sins", "yes I very much fear so indeed", "represents excellent value" and "I myself personally". Take that jacked up XR3i back to the dealers and invest in a nice new Rover with polished walnut trim and an extensive after sales service backed up by full AA roadside assistance, with optional windscreen cover. Take an unusual interest in gardens, wear Reactolite glasses, eat at Harvesters, and above all, forget that loose sexual lifestyle with a different bird and every night and adopt a whole new v-neck attitude! Chicks love it! After all, ever seen DLT without a foxy doll on his arm?

Elastica, featuring top fantasy babe, Donna, second from right

THIS SPORTING LIFE!

What are you looking at? **James T Bone** threatens to set Morrissey on the first fucker who says Donna from Elastica isn't the horniest babe in the world

Just what the fuck is going on with Morrissey? After playing the limp-wristed, bookworm for the last ten years, now he's raving on about how great he finds the noble art of boxing. That's right, the man who looks like he'd have trouble tearing a Rizla paper has been hanging around south London gyms and posing on the front of music mags sporting knuckle dusters. Excuse me while I change your skiddies.

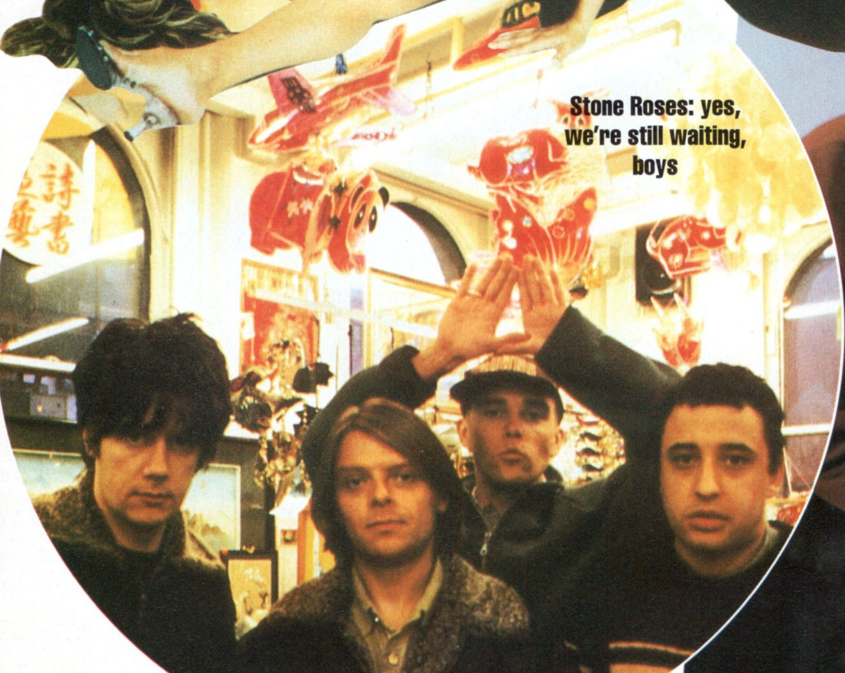
Now the queeny quiffed one has gone a step further with a new single called, wait for it, *Boxers*. Is this some sort of clever ploy to convince us all that he's turned into a man?

But Mozzer is only the latest pop star to come over all blokish. We've already had Blur going on about greyhound racing and Oasis wearing footie shirts and telling everyone what an ace team Man City are. What next? Eternal on their passion for darts; or how about Suede extolling the virtues of Shark Wrestling? For fuck's sake, fellas, stick to the music and leave the hard stuff to us!

● As if Blur's Damon Albarn wasn't jammy enough selling over a million copies of *Parklife* and enjoying a string of hit singles, now he's got his feet under the table of a huge bloody new house with his crushingly cute girlfriend, Justine Frischmann, lead songstress for Elastica. (Though it's guitarist Donna who really lights our candle.) Now while we might be happy with a new Sainsbury's box, Da and Just's place had to be a five-storey affair in Kensington Park Road, London, apparently costing £350,000! I bet you didn't know that playing in a mediocre band like Blur paid so well. And you're right, it doesn't – Justine's daddy picked up the bill.

● Now I'm sure you've all heard of the Internet, the computer super-highway that allows users to access other computer terminals all over the globe. Bands have been quick to realise its potential and PWEI, The Black Crowes, Orbital and

The Go-Go's: no sex, no drugs, just boring old rock and roll



Stone Roses: yes, we're still waiting, boys

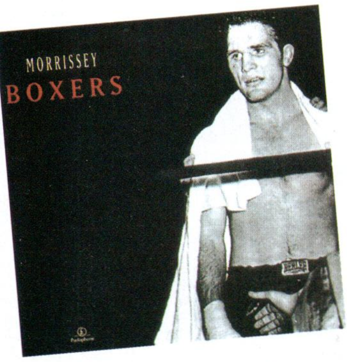
Morrisey: come and have a go if you think you're hard enough

Beastie Boys all have information posted on the network.

But the band that really caught our eye was The Stones Roses, who included an access number on full-page adverts for their LP, The Second Coming. After a five year wait for the record, we were overjoyed at the chance to view an exclusive video clip of the band by simply downloading the information onto our computers and waiting for a few minutes. However, a strange sense of deja vu was soon experienced when after two-and-a-half hours nothing whatsoever had happened. Funny that.

● Anybody remember The Go-Go's? The all-girl American band had a string of hits back in the early 80s before they broke up amid drugs and booze problems. Lead singer Belinda Carlisle then went on to have a fantastically successful solo career, but now the band have reformed.

A new album, *Return To The Valley Of The Go-Go's*, is out this month featuring all their hits. They're all clean and sober now and in the middle of a US tour, but are they having fun? "If you ask me whether life is as much fun without drugs and alcohol," says Belinda, "then I'd have to say it's not." Really?



Morrissey's Boxer: looks like a nice boy

● Her old man may be President of the US, but that hasn't stopped a US talk show from airing a private rap tune made by Bill and his daughter, Chelsea. In it, the 14 year old celebrates the joys of pot smoking. 'Let's inhale, let's go to jail, Dad'll help us make our bail. Let's inhale till we're meltin', then drink vodka shots with comrade Yeltsin'. Move over Snoop!♣

If it hadn't been for Heather's forgetfulness you may never have seen her stunning shag-machine body. Heather explains: "I'd always wanted to be the one clicking the shutter and getting my zoom lens between a girl's legs. So I found myself a model (it was my cousin Clare), sorted out a fabulous location and spent a whole day snapping her in various states of sexual arousal. I must confess I got so turned on that we even ended up in bed together at the end of the shoot and Clare gave my dripping pussy the licking it had been craving all day.

"The next day I sent my film off to the developers

and eagerly awaited the results.

"When the pictures arrived back by mail I could hardly wait to see the raunchy results of our day's work and I ripped open the package. But what I saw wasn't exactly what I'd expected. Instead of sexy snaps of Clare spreading her legs and playing with her pussy there was just five hundred black prints. I'd forgotten to take the lens cap off! Needless to say, after that I realised I'd be better off in front of the camera than behind it – so here I am, fellas!" ♣

CODE 2003 RT-2-X
ROBOTRON RT-2

Tucked behind never-ending roadworks and construction sites in a Covent Garden alley is probably the country's most exciting retail shop, Tom Tom. Owned by the always-happy-to-see-you Mr Tommy Roberts, the shop makes the most of its business selling classic/kitsch furniture from the 1960s. Glass, space age plastic and chrome is at large and proper LOW coffee tables are mandatory. "I've always believed in that mid-60s design, because they were looking forward," says Tommy. "When they did their spacey bits of furniture they were looking forward. Everything since then has been people looking backwards. They didn't have a tinge of nostalgia with it, it was totally modern."

Stuffed between the surprisingly affordable furniture (you can buy stuff for under a hundred quid) the shop stocks a mix of toys, 60s books and magazines, radios, paintings and robots. Yes, Tom Tom has a rising stock of toy robots from the late 70s and early 80s. Demand is huge, there is even a Coca Cola-produced robot that transforms from a can into a robot.

Whilst Tommy isn't keen to dwell on his past, it's his former glories that ensure Tom Tom's distinction from just another nice shop.

At the start of 1966, Tommy Roberts started Kleptomania on Carnaby Street. The epitome of 60s pre-hippy cool, Tommy's regular customers included The Who (Tommy made their Union Jack blazers), The Beatles, Twiggy and even Liberace. Carnaby Street, with its non-stop traffic of sharp Italian scooters and good-looking girls in mini-skirts, was the most exciting place to be.

Bored, Tommy bowed out in 1968. Call it Tommy's intuition, but by 1969 the street's swinging times were all but over. In the summer of 1969, Tommy opened his second venture, Mr Freedom, at 430 Kings Road. Against a tidal wave of peace, love and long hair Tommy gave back short hair, bright colours, rock and roll and the exaggerated stars-and-stripes of Americana.

A new scene emerged around Tommy and the Kings Road's only other decent shop, Granny Takes A Trip. Famous cats like The Rolling Stones and The Faces hung around Mr Freedom, while Elton John went there for loud clothes.

In 1971, Tommy rented out the back of his shop to two young upstarts who wanted to make clothes for teddy boys. They called their new enterprise Let It Rock. They were Vivienne Westwood and Malcolm McLaren. Eventually they took over the rest of the shop, then punk came along. Westwood's World's End is still located at 430 Kings Road today.

Already Tommy had opened a second Mr Freedom, this time in the guise of a department store in Kensington. Tommy was fast becoming a figure head in London street fashion and youth culture. Not at all bad for an ex-car dealer. Once inside the department store, a huge nine-foot fly with flapping wings loomed over the customers whilst they gawked at outrageous clothes and furniture (anyone for a false teeth armchair?) from over three decades.

It was not until 1980, after

numerous other projects (City Lights Studio in Covent Garden) and the demise of Mr Freedom, when Practical Styling opened underneath the Centre Point, that

Tommy began to go in more for furniture. Practical Styling, a self-confessed 'post-modern empire', took your mum's furniture, Hoovers and dustbins and made them chrome, hip and fluorescent.

Contrary to Practical Styling's ironic pop appeal in 1980, Tommy's new outlet in 1995 lends more to classic, timeless appeal. "I always want to move on. In time, some things didn't succeed and it's all to do with timing. Like this little shop, if I opened it a year ago it probably wouldn't be right, but now it's okay. That's instinctive."

Every time Tommy sets up camp, it's a new generation of customers and hangers-on that create the shop's scene. So while you won't find the Rolling Stones hanging around, you might see an up-and-coming band like Shampoo or Menswear rooting around for a bargain.

"What are these called? Overcoats? That's cool..."

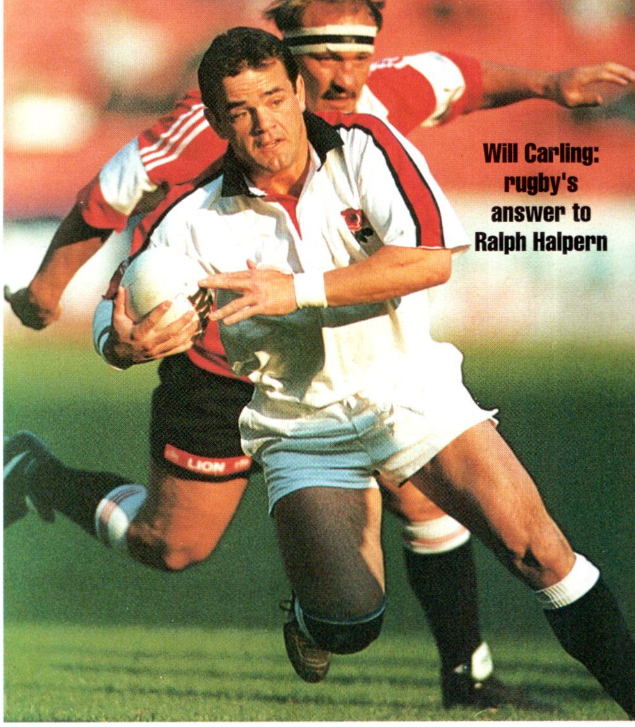
THE STATE OF THE UNION

Sports correspondent **Maurice Short** risks a cauliflower ear tackling a bunch of Northern oiks with funny-shaped balls...



Will Carling: rugby's answer to Ralph Halpern

After years of hiding away in the shadows it seems that a shunned section of British society is at last building the confidence to emerge into the light. An overall change in the public's attitude to these men and their, admittedly, abnormal interests can be detected. Whole articles in the national press are now devoted to attempting to understand their strange peccadillo. This misunderstood and maligned minority group now has its own magazine and television and radio programmes. More and more apparently 'straight' men have come out and openly admitted a fondness for it, while other butch individuals have said that they would be prepared to try it if they were paid a lot of money. Things have certainly moved on since the days when it was regarded by polite society as a deviant perversion that could not be spoken of except in a whisper. Yes, it looks like only a matter of time before rugby league will be just as respectable as homosexuality, bondage and supporting Arsenal.

It was not that long ago that rugby league was treated by the media as something of a bad joke. A sad bastard offspring of the 'proper' game – rugby union, don't y'know – favoured by men in flat hats, who considered it the height of sophistication to remove the washing-up from the sink before pissing in it. The players were frightful oiks with names like Barry Higginbottom, who spoke in a distinctly non-union manner, the rules were arcane ("I should imagine, Charles, they use a black pudding as a ball") and the game's best known figure was a trilby-wearing, grinning imbecile named Eddie Waring. And, as if this was not bad enough, the teams were – dare one say it? – professional! Bring me a stiff G&T before I pass out, Claude...

On that last point the two codes do not seem so far apart these days. The once amateur game has seemingly witnessed more backhanders in recent years than the crowd at Wimbledon. Union officials, of course, vehemently deny this. Even when players admit that they have received illegal payments from their clubs, the authorities simply state that they must be mistaken. Perhaps the great and good men who run rugby union believe there is some footballing equivalent of the tooth fairy who goes around sticking money in the toe of player's boots in return for a couple of broken studs and an old jockstrap?

Certain leading players too have denied ever making money out of the game. Gavin Hastings, the thick-necked Scottish captain, is one such man. Personally I find this highly disturbing since I once saw Hastings standing on the touchline at Melrose wearing a shell-suit so repellent it would have been rejected by a colour-blind Scouser. Naturally I gave Gavin the benefit of the doubt and assumed that he was being bunged a considerable quantity of dosh to wear this horrendous garment in public. However the truth soon came out – Gavin Hastings just has appalling dress sense.

The other major reason for league's new found respectability lies with the current inadequacies of union. For a number of years now the amateur game has been dominated by over-coached players. Union is as bland as Quorn and as dull as a lecture on the history of double-glazing delivered by Nigel Mansell. Oddly this is the product of exactly the win-at-all-costs mentality the old union administrators said would be the price of the game turning professional.

Amateurs, it was argued in those far-off days, played with a free-and-easy style because they did not need victories to boost their pay packets. You only have to listen to Will Carling blathering on about "motivating the guys" as if he was reading from a flip chart at a management seminar for sales reps, to realise that that little pipe dream has evaporated quicker than a Paul Merson win bonus. And was it a

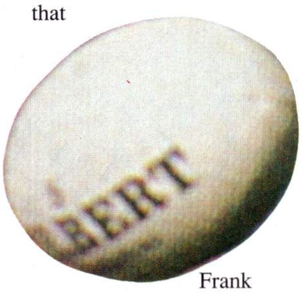
rugby league player who said: "For an 18 month suspension I feel I probably should have torn it off completely. Then at least I could have returned home with a guy's ear"? No, it was our old mate Johan Le Roux, the South African rugby union international.

- Seventies soccer rebel par excellence, Frank Worthington is back in the news. Taking time out from cataloguing his extensive wardrobe of kipper ties, the long-haired genius who played with more clubs than a Las Vegas croupier has penned his autobiography, *One Hump Or Two*. As you might guess, Frank's tome is not just a catalogue of his on-the-field activities. As a result it contains more bad double-entendres than the average Carry On film ("I thanked her for the mammaries and left" is one of the better efforts), yet, like the silky old ball-player he is, Frank somehow manages to pull it off (ooh-er, matron) with some style.

  Reading it I was reminded that Frank once gave a speech at a sportsman's dinner organised by a mate of mine. Afterwards my mate dropped Frank off at his hotel, then collected him early the following morning to take him to Euston so he could get back in time for training at Tranmere. Between checking into the hotel at 11.30pm and checking out at 7.30am, the ageing maestro somehow managed to clock up a bar bill of over thirty quid. "I have to say I was impressed," my mate said.



- And finally anyone who thinks women's sport lacks that competitive edge should hold their tongue when Frances Gifford is around. "I love it when you tackle someone and you can hear their teeth rattle," the women's rugby player recently told reporters. Sounds like my kind of girl – a tough mother rucker. ♣

Aah, bless her cotton socks! Doesn't gorgeous Gaby look just like the kind of girl you could cuddle up to all night and whisper sweet nothings to? "Sod off," laughs 18-year-old Gaby from Brighton. "It might look like butter wouldn't melt in my mouth, but inside these pyjamas is a woman who has discovered sex and just can't get enough of it!

"Honestly, I can't quite believe myself how horny and turned on I get," she admits. "I love slowly running my hands over my breasts, feeling the nipples hardening. Then I'll dip a finger inside my warm pussy as I fantasise about a guy doing it for me. It's not as good as the real thing obviously – but it keeps the fire burning, if you know what I mean!" ♣

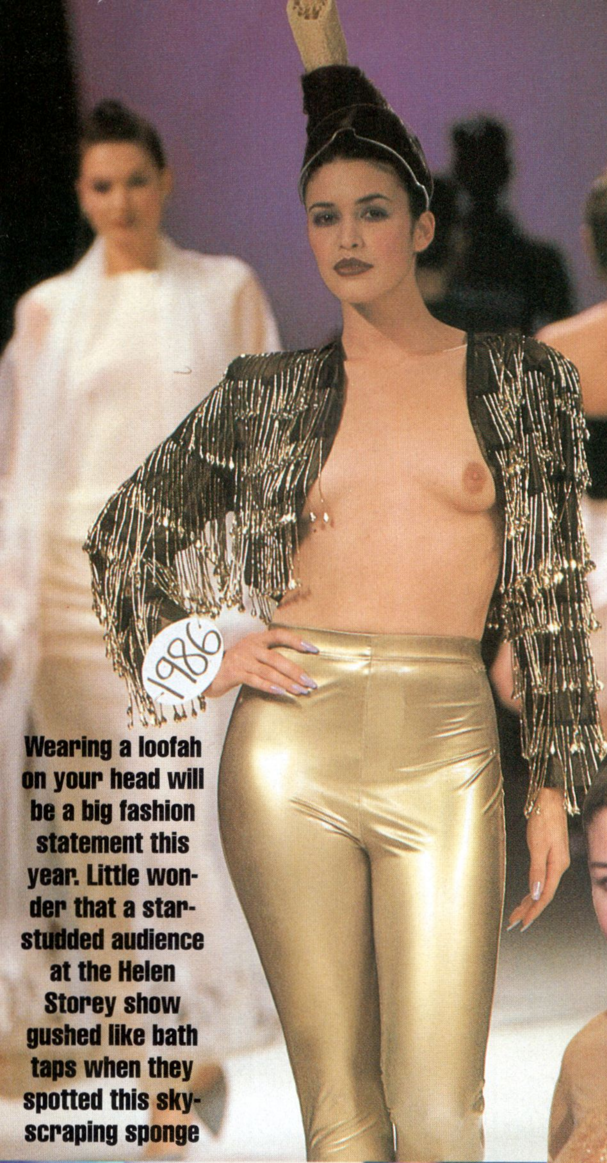
CLUB INTERNATIONAL GUIDE TO

FASHION 95

What will the sexpots up your street be wearing this year? Very little if we have anything to do with it. Our fashion correspondent Stan-Bill Gaultier **casts a leering eye over the naughtiest and the nuttiest in hot couture...**

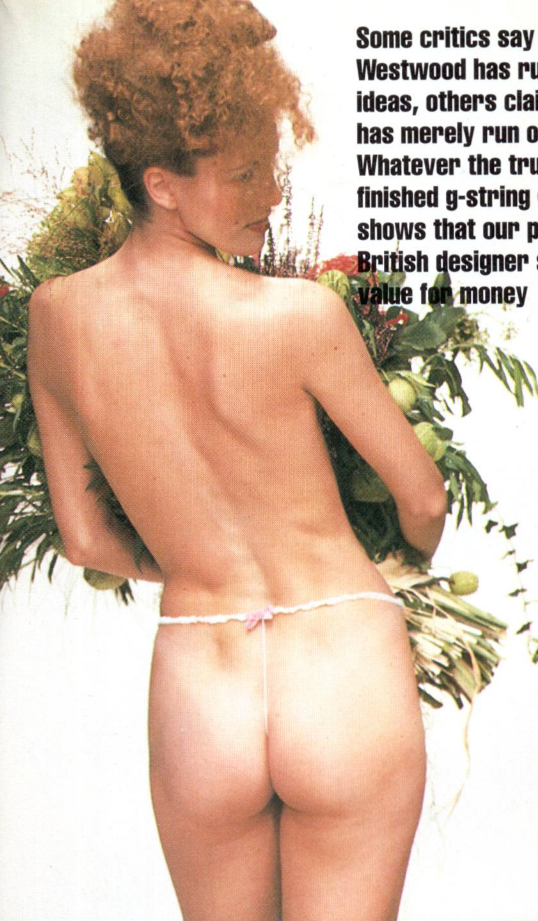


Wearing a loofah on your head will be a big fashion statement this year. Little wonder that a star-studded audience at the Helen Storey show gushed like bath taps when they spotted this sky-scraping sponge

Abe Hamilton's attempts to cover this model's milk wagons are of little interest compared to the absolutely drop-dead babe factor underneath. Miss, I love you

A ten-gallon hat and two pint-bottle tops make sure this little number by Tracy Feith is firing on both barrels. Looks the part for shopping in Sainsbury's too

The UFO frock by J.C. De Castelbajac is out of this world and must be worn with one nipple on show (an idea copied from the Masons) so that any passing aliens will recognise an Earthbabe when they see one

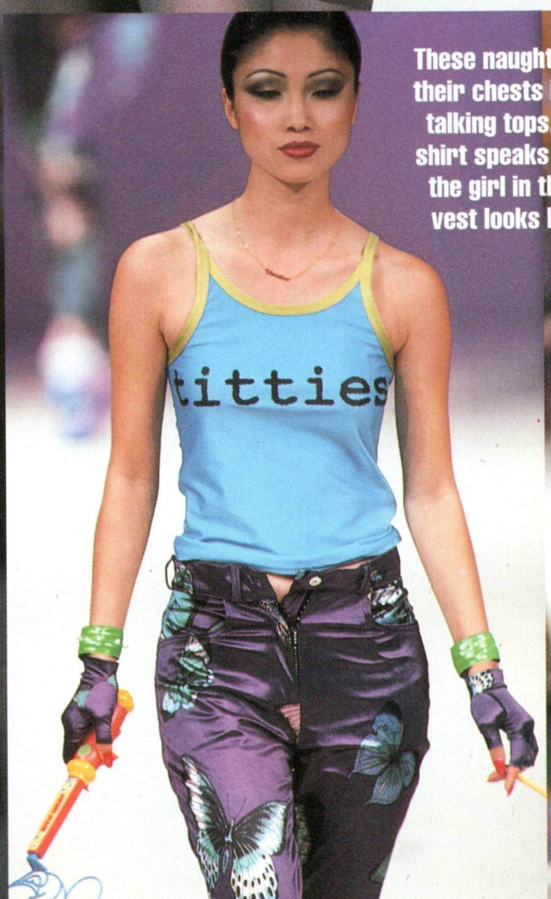


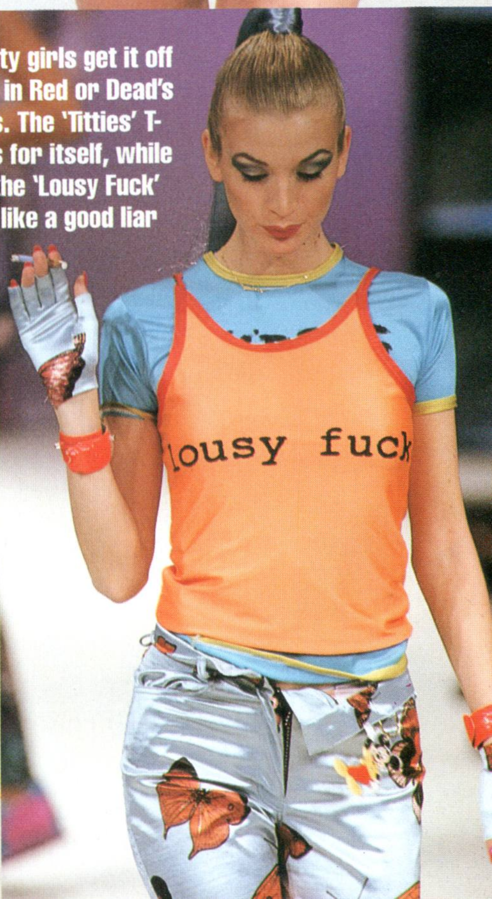
Some critics say that Vivienne Westwood has run out of ideas, others claim that she has merely run out of cloth. Whatever the truth , this hand-finished g-string (£2995) shows that our premier British designer still gives value for money

Getting your tits out on the catwalk was the very essence of 94 couture. For 95 many designers, including the makers of this hot top, are re-wrapping the old chest puppies in see-through cotton in anticipation of getting them out again next yea

Red or Dead's offering for 95 has more in common with a Pit Bull's dog collar than a dress, so it's a pain in the arse to sit down in. Gaffer tape also comes in red and blue (£195) though transparent Cellotape is preferable

A see-through thriller from Jean-Paul Gaultier (no relation) is sure to cool this young lady down this summer. Rumours that McDonald's are considering an order of ten thousand to spice up the image of their fattest, spottiest staff are unfounded





These naughty girls get it off their chests in Red or Dead's talking tops. The 'Titties' T-shirt speaks for itself, while the girl in the 'Lousy Fuck' vest looks like a good liar

As any regular reader will know, it's customary on a sexy shoot for our girls to talk about shagging. So you could have knocked us down with a copy of Club when wanton sex babe Marie told us she wants to get married. Married, fer chrissakes! What's got into our 20-year-old from Pershore?

"Cocks, that's what's got into me!" giggles the saucy student, rubbing her neatly trimmed pussy through her panties. "I've been bonking around for four years and now I want a rest. I want to meet a bloke with a nice seven incher and settle down. I want a man I can rely on; a guy who'll be there waiting for me in bed when I get home from the pub. A guy who'll make sure I get shagged bandy at least twice a day, and then prepares dinner while I have a wank."

But surely you'd miss having a different willy every week.

"Not really," says Marie. "One of the main reasons I want to get hitched is so I can have a bit on the side!" ♣

WOMEN'S WRITES

Where the girls get down to business

OOH-LA-LA!

I've been studying at a university in the North of England (I can't tell you exactly where – you'll soon realise why!) for two years, and I've been having an affair with one of the lecturers there for the last six months. Pierre teaches French and from the moment I started studying with him, I was completely smitten. He's a couple of years older than I am (I'm 21 years old), and is very suave and self-confident with an accent that still makes me go weak at the knees.

I have to admit that after a couple of weeks in his class I had stopped concentrating on anything Pierre was saying, as I was too busy imagining what it would feel like to be shagged senseless by him. There's only about twelve of us in the class, so it was easy for me to sit away from the rest of the students, ease a hand inside my knickers under the desk and make myself come right there in the class. I could always control the urge to let out a loud scream – probably 'cos I promised myself that when I got back home I'd give myself a slow, leisurely seeing-to with my trusty dildo. Pierre must have thought I was the happiest student in his class, 'cos I was constantly smiling!

I began to dart my tongue in and out of her hole

Anyhow, it became quite a regular habit of mine to bring myself off in my French class, and I even divulged my secret to one of my college friends, Ruth, after a few glasses of wine one evening. We were both pretty pissed, but Ruth really did seem to be turned on by the idea of what I was doing.

She asked me to describe in detail exactly what I was thinking of when I was wanking myself off, so I went into one of my graphic fantasies about being in Paris with Pierre. "Well, I'd pose for a few sexy snaps for him down by the Seine and we'd walk around the city for a while," I breathed. "Then I'd drag him back to our hotel and get him to slide his thick cock deep into my cunt, making me come and come again until I was screaming for him to come too." Just recounting the fantasy was making me feel very horny and Ruth looked a little flustered too.

"It looks as though we could both do with a little relief," I giggled. Ruth nodded and then slowly pulled her skirt up and eased her knickers down to her ankles to reveal a beautiful, neatly-trimmed pussy. I watched fascinated as Ruth started to rub her pussy mound and I could see glistening drops of love juice running out of her hole.

I was captivated by what I saw right in front of me and I just couldn't stop myself from acting on this strong and very sexy impulse. I moved nearer to her and began to kiss my way up the inside of her thighs. I'd imagined that I would be incredibly nervous and unsure of what to do, but this felt like the most natural thing in the world. I began to dart my tongue in and out of her hole slowly, bringing her closer to orgasm until she finally ground her cunt against my mouth and came noisily. It was a fantastic experience and Ruth and I ended up in bed together that night, where she gladly returned the compliment! It was great to know that Pierre was the catalyst for our horny night of passion, and I could hardly wait until the time came when I would finally get to grips with Pierre. I didn't have to wait long...

At the end of last year, there was a week-long trip to the South of France for all the students in our class and, naturally, when I heard that Pierre was leading the party I signed up straight away.

I managed to get a seat beside Pierre on the coach across to France and flirted outrageously for the entire journey. He was soon shuffling uncomfortably in his seat, struggling to hide the obvious bulge in his trousers. I was determined to get my hands on his prick just as soon as I could and my chance came on the third day.

Pierre had planned a trip out to the country, but the rest of the students seemed to be more interested in propping up the hotel bar and lounging by the pool instead. No problem, that just meant I'd have Pierre all to myself.

Pierre had hired a car and we drove for about ten miles to a remote spot where there were hardly any other tourists, then we got out of the car and walked for a while. It was a very hot day, but I was dressed appropriately enough – a skimpy tee-shirt, red sarong and no knickers! By lunchtime Pierre suggested that we should stop and rest for a while and we headed for a quiet, secluded picnic area. As we chatted and ate some lunch I made sure that I gave off the right signals, crossing and uncrossing my legs and making sure that Pierre got a tantalising glimpse of my pussy.

It was pretty obvious that he must have been getting a good eyeful, but I was totally shocked by what happened next. "Can I ask you a question, Melanie?" he said. I nodded excitedly, then Pierre simply came out and asked me if I had ever played with myself during his lectures!

I blushed bright red then slowly pulled my sarong up just a little more, before provocatively running a fingertip around the edge of my wet hole. That was all the encouragement that Pierre needed and he was down on me like a flash, lashing his tongue against my clitty. His hot breath felt amazing on my cunt and I started to feel little orgasms pulsing through my body. I began screaming out loud and then shuddered and came. "Fuck me now," I demanded, moving onto all fours and sticking my bum out invitingly.

Pierre was out of his trousers in seconds and I looked over my shoulder to see him moving towards me with his cock in hand. I reached behind and held open my pussy lips and Pierre rammed his cock inside me. He wasted no time in powering hard, his firm hands gripping onto my bum as we both neared orgasm. I almost fainted with the pleasure of it all, then with a loud grunt Pierre whipped his cock out and spunked thick wads of spunk all over my arse. I ran my hand over my bum and then sucked Pierre's spunk from my fingertips.

That trip was six months ago now, and Pierre and I are still fucking each other regularly. It's Pierre's birthday next month and I'm arranging a special present – a threesome with me and Ruth! I'll write in soon and let you know how things went! – *Melanie, Bournemouth*

KEEPING FIT

My name is Kirsten and I reckon I've got a job that would make any cock-hungry girl very jealous. I recently started work as a receptionist at a sports centre, and I've found that it's the perfect place to pick up men. I reckon it must have something to do with all the hormones going around the place – or maybe it's the fact that I'm stuck behind a desk with nothing on but a leotard, a short skirt and a welcoming smile!

During my first week there I was asked out by about half a dozen different men, all of them strapping hunks with the sort of bodies that make me go weak at the knees! I decided to hold out a little longer – but when I set eyes on Dan there was no way I could resist him. He was in his mid-20s, very good-looking with short blond hair and a tanned, fit body that was absolutely mouthwatering. He spent quite a lot of time at the gym

I reached behind and held open my pussy lips and Pierre rammed his cock inside me

CALLS CHARGED AT 70P/MIN CHEAP. 79P/MIN ALL OTHER TIMES 93 COWCROSS ST BOX 29 LONDON EC1M 6BH and didn't seem to have a job, but he certainly wasn't poor. Every morning he'd pull up outside the sports centre in his Porsche and waltz past me, flashing me a wide smile and a cheeky "Hello again, gorgeous, you look even lovelier today than you did yesterday."

His flirting carried on for a few more weeks, then he eventually made his move on me. "How do you fancy coming back to my place for a bite to eat at lunchtime?" he asked as he was leaving the gym one morning. "My place is just around the corner." Well, I wasn't too bothered about the food, but the idea of getting Dan's trousers off and sucking on that lovely cock of his certainly had my mouth watering. I nodded and said I'd be happy to come along.

"I'll see you about one o'clock then," I told him.

Well, Dan didn't disappoint. I only had two hours before I had to get back to the centre and I didn't waste a second in getting his pants off him. It gave us a good hour and a half to fuck each other's brains out – and that's exactly what we did. Dan's body was in incredible shape and he had amazing staying power. His cock stayed rock hard no matter how hard I sucked it. Even when he was screwing me from behind and I was screaming for him to come, he made me wait until the very last moment. When he did come I thought I was going to explode, my body was quivering with the sheer sexual thrill of it all!

After that lunchtime session there really was no stopping us. I ended up fucking Dan just about every day – it was fantastic.

One afternoon when we were both lying in bed, Dan asked me if I would mind wearing no knickers to work the next morning. I could see by the twinkle in his eye that he had something special planned, and I was more than happy to oblige.

The next day when I finished work, Dan arrived at the centre to pick me up. "We'll leave in a little while," he said. "But there's something we need to do first." He pulled a camera out of his pocket and winked naughtily. We both walked around the centre for a while, looking for somewhere quiet to take a few shots. We eventually slipped through a fire exit and found ourselves outside the centre.

When I was sure nobody was around, I peeled off my leotard and began posing. Slipping off my skirt, I parted my pussy lips so that Dan had a great view of my pink, wet flesh. I have to confess that I came long before Dan even touched me, I was feeling so horny!

After about ten minutes of posing, Dan couldn't stand it any longer and unbuttoned his trousers and pulled out his cock. I leaned back against the wall and guided his dick inside me.

I parted my pussy lips so that Dan had a great view of my pink, wet flesh

However, little did either of us know that we were being watched. Only as I threw my head upwards did I notice there was a security camera zooming in on the action! I guessed that Trish – the other girl who works on reception – had spotted us and must have been getting a real eyeful! Sure enough when Dan and I walked past reception Trish was there waving a video cassette in her hands. "This is very hot stuff!" she giggled. "How about bringing me in on the action, Kirsten?" Well, how could I refuse? I'd often told Trish how exciting sex was with Dan, and he didn't seem to be objecting to Kirsten joining us!

Kirsten is coming around tonight, and Dan and I can hardly wait till we experience our first threesome. In the meantime, I'm going to get in the mood by servicing Dan's dick – and I'll let you all know how things went with Kirsten very soon! – *Kirsten, Isleworth*

ON THE JOB

In and out of the office

STRIP, STRIP, HOORAY!

I bet there are plenty of you guys out there who have come across a strippagram in your time. Well, I work full-time as a stripper and strippagram and have done so for the last two years, so I thought that you would appreciate a view from my side of the fence.

It's almost as if I was born to do the job. I'm 5' 8", and most of that is legs! Men never seem to be able to get enough of stroking the smooth skin of my inner thighs, and nothing turns me on more than to feel a guy running his tongue up the inside of my legs while I stand over him, watching his every move. I've got honey blonde hair and a firm pair of tits with dark pink nipples that get all stiff at the slightest opportunity. My waist is very slim, so I've got a real hour-glass figure and have been turning heads since I was a teenager.

I'm 24 years old now, and very highly sexed. In this job, there's plenty of chances for me to show that off – and my customers can't get enough of it. I used to work in a bank until I saw an ad in the local paper asking for girls to work as strippers and strippagrams. As I walked into the office, the woman who runs the agency hired me right there!

I work pretty unsociable hours and in so many different places it's hard to keep count, but that's what I like about the job. The money ain't bad either, but I can honestly say that I don't do it just for that now. I found out very quickly that I became turned on taking my clothes off for blokes and letting them look at my body, sensing their arousal as I gradually reveal more and more.

After I'd been at the agency for about a year, the boss paired me up with a new girl and asked me to show her the ropes. Kelly seemed pretty shy and at first I wondered how she would cope with all the gawking and groping, and whether she was really cut out for the job. But with a figure like hers it would have been a sin for her to be doing any other job. She's got incredibly long legs, a thin waist and big 'come to bed' eyes, with blonde hair and that really sweet virginal look. And she was only 19 then, too. I felt quite protective of her, but I discovered that she could take care of herself very well, and it didn't take long for her to confess that she was bisexual and loved to get it on with guys and girls! It just goes to show you that it's often the shy-looking ones who are the biggest ravers of the lot!

he ran his tongue up the inside of my legs

There are so many tales I could tell you all about what Kelly and I have got up to on the job, but I thought that the night we had to go and give a show at a private gentlemen's club would be by far the biggest turn-on. It was one of those really posh places where you have to be a voted member to even get through the door. Angela, our boss, told Kelly and I that we had been booked as a special treat for the 40th birthday of one of the club's most prominent members by a group of his chums there, and that he had no idea we'd be coming.

"I want you to give an extra special performance for this one," Angela told us. "It could mean good tips for you and a lot more bookings for me – you know how generous these toffs are."

Privately, I was pretty turned on as Kelly and I sat in the car on the way to the club. It had been sent for us, with a driver and everything. I wondered what he would say if he could see what Kelly and I were wearing under our coats: I had a shiny red PVC top on which showed off my naked, tanned boobs to perfection. The bottom part was cut like a bodysuit, really tight into my crotch so that with every step I took, the fabric rubbed along the line of my pussy lips. I had hold-up stockings in the same PVC material, and high heels. No wonder the car's windows were steaming up!

Kelly's outfit was almost

O NOT TOSS OR
S ON THE TABLE

as outlandish: a black basque, plus black rubber stockings and this outrageous pair of spike heels which definitely weren't made for walking in!

"I feel very horny already and we haven't even started," whispered Kelly as the car roared off towards the centre of town. She pressed her hand onto my knee and started to stroke my leg. I leaned back and sighed, sucking on one of my fingers as her long nails lightly brushed my pussy lips which were peeping out of my gusset. If it wasn't for the fact that we then pulled up outside the club, I'd have orgasmed there and then!

Every step I took towards the door heightened the pressure on my clitty, and I was barely in control as we were let in and led to the room where we left our coats. We were ushered through a very large, posh set of double doors – and there were about 30 guys, all baying for us as loudly as they possibly could.

The noise was deafening, and I couldn't believe how mixed the age range was: there were guys here ranging in age from 20 to a couple who looked well over 60 – but if anything, they looked even more randy and keen than some of the younger blokes! Obviously everyone was fully dressed but there was no hiding the fact that most of the guys were seriously turned on at the sight of us. Well, as you can see from these pictures, what guy wouldn't be?

Kelly and I soon got to work. A space had been cleared for us in the middle of the room, and all the guys had been told the rules: they couldn't touch us, but they could touch themselves as much as they liked! We started by fondling each other really lasciviously as everyone's eyes became glued on us. I'd got some baby oil and so we decided that we'd oil every exposed part of each other's bodies. You should have heard the roar that went up as Kelly bent forward over the billiard table and motioned for me to spread that sticky oil all over her bum. I massaged it firmly into her cheeks, hearing her groan with pleasure as my fingers splayed over her buttocks and the smooth oil sank in.

I did the tops of her thighs as well, and of course my hands just happened to slide between her pussy lips once or twice. Her clitty was so hard and throbbing that I wondered how she could breathe, she was so turned on. I decided to get a little kinky, and grabbed one of the billiard cues and rubbed it between her thighs, expertly parting her pussy lips with the long pole. That made Kelly come right away, her moans of orgasm as she bucked astride the cue clearly audible to everyone even above the noise of all the guys cheering.

I felt seriously kinky by this time. There was nothing I wouldn't stop at until all these toffs were satisfied. I wanted to have as many of them hard and needing to come as possible; just the sight of those cocks all stiff would get me hugely aroused. And I was totally in command of everyone in that whole room – I could do anything I wanted!

Her long nails lightly brushed my pussy lips

"Get up on that table," I told Kelly, "so that everyone here can see what a rude little slut you are."

Kelly climbed up with the help of a couple of eager volunteers – well, she couldn't manoeuvre very well in that outfit! – and perched on all fours on the table, her knees spread wide so that we all had a great view of her gaping, wet pussy. She moved her hand as if she was going to start frigging herself but I brushed it aside.

"You'll just wait until we're all good and ready," I told her sternly. An expectant hush hung in the room as I bent down and started to play my tongue along the spike heel of one of Kelly's shoes, sucking on the tip of it. It felt really kinky and wild doing that – one of my own major fetishes – in front of a roomful of aroused males, and I sucked as hard as I could, running my hands up Kelly's calves at the same time. I then took off her shoes and stockings and started to tongue all the way up the insides of her legs until I got to that steaming pussy.

The smell of those pussy juices really set me off. I couldn't stop my hand from straying between my thighs to play with myself as I began to lick away at Kelly's clit. You should have heard her moaning – I'm surprised she didn't bring the ceiling down as she started to orgasm, the juices running out down her thighs as I nibbled and sucked away at her. She was shoving her buttocks right into my face, moaning like an animal – and the guys were all lapping it up.

"Tongue her cunt!" I heard someone shout, and so I thrust into her muff with my tongue, using my fingers to carry on frigging her clitty until Kelly was coming like a volcano. Honestly, I know this was the first time we'd gone this far when we'd been working, but the girl was unstoppable!

Well, from there it was just a short step to me mounting the billiard table as well, and the pair of us getting into a 69. I almost ripped the green baize with my heels as I lay underneath Kelly and prised her pussy lips open. Kelly had two fingers inside me as she ate me out, and they felt almost as good as a cock.

The poor guys who were watching knew that they couldn't touch us, just watch our horny show. I know several of them were wanking as they stood around the table and I wished that I could get a cock or two in my grasp, but we're just not allowed.

Kelly and I then stripped each other and frigged each other to orgasm, kneeling up on the table and facing each other so that we could kiss. Kelly might be young, but she knows exactly what she's doing; her arms were everywhere, finding every spot that just brought me up towards orgasm again. Finally, we both came at once, moaning and panting as the cheering became even louder.

Kelly had two fingers deep inside my cunt

I think doing that club has to rank as one of the best jobs I've done – and you should see the amount of phone numbers we collected that night! Let's just say that Kelly and I have been working our way through them. Well, it's not quite mixing business with pleasure, is it? – *Andrea, London*

HOLIDAY BLUES

Playing away from home

HOT HOLIDAY

As you may have guessed from the unusual decorations in my flat, I've travelled around a great deal. It's mainly due to my ex-boyfriend, Alex, who encouraged me to travel as much as possible and we spent the best part of a year going to loads of different places.

I met him in India where I was in Delhi on a year's sabbatical from my college course in Oxford – but not before I'd first met Jason. It was the first time I'd ever been out of the UK and I was relishing my new found freedom. From the moment I arrived in Delhi I was made to feel very welcome – some of my father's business partners have offices and homes in Delhi, so I was never short of male attention. Mind you, I reckon my long hair, curvy figure and big boobs were the real reason why fellas were so accommodating!

Anyhow, I met Jason within two or three days of arriving. His father is an old schoolchum of my father's and I was invited for dinner at the family house. I assumed that there would be nobody there under thirty, so I was surprised when I was introduced to Jason. The two of us hit it off immediately, and I ended up fucking him that very night!

We were out on the veranda until the early hours, drinking Martinis and chatting away like old friends. Everything felt so natural and I was feeling so horny that I couldn't resist reaching across and casually pulling his dick out of his trousers and wanking him off! Just when I was sure he was about to come, I quickly moved my head and wrapped my lips around his bell-end and gulped down every last drop of his come.

I ended up fucking him in his bedroom later that night, while his parents slept in the next room. It was pretty hard not to make any noise 'cos Jason was such a good lover – almost as good as his father! Let me explain...

I was around at their place a few days later looking for Jason and was told that he was delayed in town with his mother. I got talking to his father, John, who said that I could wait.

We sat in the lounge exchanging pleasantries and sipping our drinks, when a smile passed over his face. "Did you enjoy fucking my son?" he asked. I spluttered my drink all over the place.

"Pardon?" I asked.

"I heard the two of you at it the other night and it sounded like you were having a great time," he laughed. "Have you ever fucked an older man?"

I was too shocked to say

anything. There was no doubting that John was an attractive man, and the more I thought about the idea the hornier I felt.

"They won't be back for ages," he said. Within seconds we were all over each other. I eased my knickers down to my knees and begged John to fuck me as hard he could. I came virtually the second he was inside me, I think because it was so unexpected that I should end up screwing an older, more experienced lover! It didn't take long before John grunted and then released a wad of come deep inside me.

From there, things just got even better. I had the time of my life and bedded some very sexy men. It was only when Alex breezed into town that things changed.

Alex is 26 years old, very fit and possesses a great sense of humour. He'd already travelled a lot and had come to stay in Delhi with his cousin, Lesley – who I just happened to be screwing at that time!

The first night that he spent with us he made it very clear that he was interested in me. I was very flattered and amazingly, Lesley didn't seem to mind. When we had polished off a few bottles of wine the reason why became clear.

"We've always shared everything, haven't we, Alex?" grinned Lesley. Alex nodded, then Lesley stood up and unzipped his flies to reveal his thick, veiny cock. I was flabbergasted, but before I had the chance to say a word, Alex also stood up and did the same thing. I was in cock heaven!

"Would you like me to undress, boys?" I whispered coyly. They both nodded frantically. "Would you both like to, er, fuck me?" They nodded again. "Well... maybe I should really take off my clothes, shouldn't I?"

I slipped my short dress over my shoulders to reveal my naked boobs and a tiny, white G-string. I was feeling so horny that I didn't even bother to kick my knickers off around my ankles. I just pulled them to one side to expose my pussy and held my lips apart to receive the first of those two cocks.

I adore being fucked while standing up and when I felt Alex nudging his cock gently into my hole I started to orgasm at once. That lovely warm feeling came

over me and I had to hold onto him around the shoulders so that my knees didn't buckle.

Eventually, with Alex still pounding away, I had to sink to my knees for fear of keeling over. Once I was on my back, Alex quickened his rhythm and Lesley came over and offered his hard-on towards my mouth. I could taste the salty pre-come oozing from the end of his dick and it didn't take long before he was directing an arc of spunk down my throat. Marvellous!

For the next few weeks, Alex and I were fucking each other on a regular basis. Soon after that he started hinting that he was thinking of moving back to London, and he asked me to come along too. Well, there was no way that I could simply wave goodbye and forget about him, so the two of us headed back together.

Once we were in London, Alex and I moved into a smart flat in Kensington and it didn't take long before we settled in a hectic social – and sexual – life. Alex had some amazing friends, who all seemed to have the same outlook on life – to have as much sex as possible.

One of Alex's best friends was Jess whose wife, Simone, was gorgeous. She was in her mid-20s, from a wealthy background and seemed to be highly sophisticated. She was very tall, with incredibly long legs and big boobs that seemed to defy gravity! I think it was her cool exterior and aloof manner that really turned me on, and I was determined to find out what lay underneath. I had dabbled with lezzie sex while I was at college, but nothing serious. This time, however, I wanted to lick Simone's slit until she screamed out in ecstasy and begged for me to make her come. I wasn't sure if she'd be interested, but I was going to try my best to seduce her.

I could taste the salty pre-come oozing from his dick

One afternoon Simone dropped by to see me. Alex was visiting friends and I was just pottering around the flat. I made coffee and we sat and chatted for a while. Simone had been out shopping and had just bought a new outfit that she couldn't wait to try on. She went into the bedroom and came out wearing a daring slit skirt and a tight tee-shirt. She sat down opposite me and kept crossing and uncrossing her legs as she talked. I could see that she was wearing stockings and suspenders and I couldn't help but look at her long legs, imagining what they would feel like as I ran my wet tongue along them. I think Simone must have noticed my furtive glances, because she fixed me with a smile and leaned closer.

"If I didn't know better," she said, "I'd think you were looking at my legs."

I tried to stammer something by way of an apology or explanation, but Simone simply stood up, unbuttoned her skirt and let it fall to the floor. Her long legs were wrapped in sheer stockings and her pussy was barely covered by a black G-string. "I think you should show me what you can do," she smiled, turning around and wiggling her curvy bum in my direction. "I want you to use your tongue on me..."

I couldn't believe how turned on I was feeling as I approached Simone, pushing her towards a table so that she could steady herself by bending over it. I dropped to my knees and flicked the G-string to one side with my tongue, before burying my head between her legs and sinking my tongue into the pink flesh of her warm pussy. She tasted lovely and I licked fervently, working my tongue around every inch of her wet hole. The harder I probed, the more noise Simone made until she ground her cunt onto my tongue and came.

Now I needed to come too, so I pulled Simone to her feet and led her upstairs to the bedroom. I laid her down on the bed and pulled out my box of tricks from under it, struggling to get out of my clothes at the same time. I opened a bottle of massage oil first and poured some of the liquid between my thighs and shoved a vibrator in Simone's hand. She flicked the switch and worked the buzzing head around my pussy and then plunged it inside. Within seconds I had one of the most incredible orgasms of my life.

Well, by the time Simone left I was exhausted and satisfied. Alex wanted to hear of my escapade in graphic detail when I told what had happened between me and Simone... and I gladly agreed, on condition that he filled my hole with spunk. Not surprisingly, he was more than happy to oblige! – *Victoria, London* ♣

LUCY

Lucy has a problem. She never gets to see her boyfriend's cock. "I've offered to suck it, jerk it off between my tits and tickle it with my tongue – but he's not interested." What!!! Is he clinically insane? "No, he's just obsessed with my bum, and he always insists on doing it doggy – every

bloody time! So I hardly ever get to play with his plonker at all!"

In fact the 20-year-old from Truro is bored with bending over, she's ditching him for any guy who'll let her do things with his dick. "Here's the deal, right? For every bonk from behind, I get one from the front and even a chance to suck it for a change. That's the bottom line, fellas. Any takers?" ♣

UNCENSORED TEENAGE HARDCORE
(aged 18+)
PORN VIDEOS *and more!*

If you want to see British teenage girls (aged 18+) having full sex (inc. oral etc.). then read on...We have Amateur teenage sex videos & plenty more besides. WE ARE YOUR ONE-STOP PORN SHOP – BY POST.

VIDEO ONE: TEENAGE SAMPLER – If teenage girls in & out of school uniforms (knee-socks, white knickers, shirt, tie, blazer – The lot) allowing men (sometimes 2 or more at a time) to have sex with them to completion (many with outside orgasms) is your thing, then here is your chance to see the very best there is. The girls are all innocent-looking, all British & all of them are fucked in & out of school uniforms. Watch pretty girls wearing just knee-socks, being fucked (& tit fucked) by men. Young girls with hard dicks up them – The best. And sweet looking girls with their dirty mouths wide open – giving oral sex. Girls with soft skin who look like they haven't even discovered sex yet; but they have & we get to see everything!

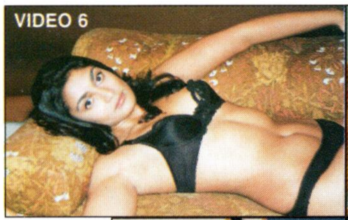
VIDEO TWO: TEENAGE SPANKING – Girls being strictly disciplined by their men. Lots of spanking & strong discipline scenes. Pretty girls in school uniforms & then lifting their skirts for a firm spanking plus lots & lots more. The best teen discipline sex you will ever find. Horny submissive young girls must learn a painful lesson in obedience. The Master uses all his favourite tools to teach these insolent girls in school uniform how to obey & respect.

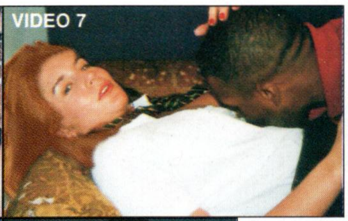
VIDEO THREE: TEENAGE SLAPPERS: One of our best selling videos ever. This video is dedicated only to girls, aged 18, who are sex mad. Girls who have one-night stands & love to talk about their sex lives; describing the first time they had sex & giving intimate information about their active sex lives. Lots of school uniforms (knee socks or thick tights or ankle socks). Lots of doggy-style sex; even young girls involved in group sex and lesbian scenes.

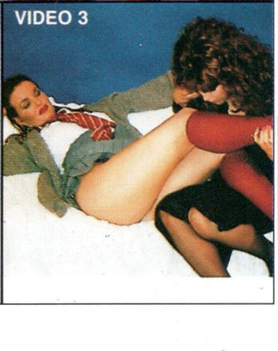
VIDEO FOUR: OLD THROAT – That's what we call this sex video which is a non-stop hardcord sex orgy between older women (aged between 52 & 64) & much younger men. Plenty of sex, including oral without false teeth in, straight sex + masturbation. Old fashioned underwear. Older ladies telling off their younger boyfriends. Plenty of big ripe tits being sucked. One of the ladies, Betty, is 60 years old. She fucks with her toyboy & then allows another man to fuck her mouth. She takes his full length in & 'Old' deep-throats his manhood until he withdraws & cums over her face & saggy boobs.

VIDEO FIVE: BIZARRE BONDAGE – The kinkiest video ever. Everyone in this video is committed to the fetish lifestyle. There are many scenes of bondage & spanking & a few transvestite scenes. Angela is tied to a motorbike in every conceivable position. Her tits love the feeling of those tight ropes around them. Ladies soon learn to respect & obey Captain English as he combines the forces of pain & fear to explore the sensual realm of spanking. See him transform two disobedient girls into love slaves in a manner that would make the Marquis de Sade himself smile.

VIDEO SIX: INDIAN TEENAGER SHUNTA – loves hard, cold sex. She comes from a respectable Indian family. However, she is a real black-sheep of the family. Shunta loves sex with English boys & in this video we see here doing what she loves most, having sex, sex, & more sex. This young Indian girl gets her cunt fucked & then has her mouth used as a cunt-substitute while a man pumps his cock deep between her lips until he ejaculates over her face, a big gob of spunk going straight into her eye! Shunta is lovely & hairy between the legs as we see when another man gives her sex a thorough licking-out. She has a wet squirty orgasm during this session.







VIDEO SEVEN: BLOND GIRLS WITH BLACK MEN – Beautiful blond English girls in hardcore sex action with well-hung black men. These girls just love hard sex. They open their legs & have full sex with their black men. Imagine it – Fair white flesh, blong pubic hair & a big (really big – 9" at least) penis between her cunt-lips poking away at her pink pussy. These girls love black men. Lots of dirty spunking scenes. these girls are used for sex & they use the men too. Lots of oral action too – showing the girls pretty faces & blond hair – and really big black dicks in their mouths.

VIDEO EIGHT: TEENAGE SEX HOME VIDEO – We placed little 'postcard' adverts in over 100 newsagents windows, asking for couples, aged 18+, who wanted to earn extra money to allow us to film them having sex for an hour. The response was enormous. This video represents the best of the 'teenage' couples who responded. The girls vary from innocent looking & beautiful to sexy looking and even plain ugly! There are loads of 'spunk climax' scenes. Most couples also have oral sex – Naturally we videoed everything in absolute close-up. Lots of school uniforms (the girls own) & sexy lingerie (stocking, shape & lift bras etc.) For real sex with real teenagers – this video is a must for you.

PRICES – Please send £3.00 for our fully illustrated catalogue, which lists 100's of videos, magazines & photosets, covering absolutely ALL sex subjects.

Amateur Camcorder Sex!

I know they're the real thing because I made them myself

G R Video Sales, 14 Bourne Road, Bexley Village, Bexley Kent DA5 1LU

Dear Reader

Until 6 months ago, I used to buy Adult Videos myself. More often than not I got ripped off by getting only mild videos with mamby-pamby bits of titty-waving by a bunch of scrubbers who couldn't wait to take the money and run.

Well, I had a nice little windfall and decided to invest in some equipment and make my very own **real hard core videos.** I cast around discreetly among my friends and acquaintances for my "actors" and it's amazing how many of them were only too keen to get stuck in (...just goes to show the kind of people I know). I then set about making the sort of ***Adult Videos I've always wanted to see.*** The people doing it in these videos are really into it - they're not just doing it for the money - ***they love it.*** They want you to see their pleasures, they want you to see their bodies and they want you to see every detail of how they satisfy their passion.

The result is a range of ***the hottest, dirtiest Adult Videos you can hope to get your hands on.*** Don't forget, the more you buy, the ***cheaper*** I can let you have them.

Happy choosing. Gary Robinson

The following shops have agreed to sell my videos because they're always keen to get their hands on the really hard videos for their customers. You are welcome to call there from Mondays to Saturdays from 9.30 am to 6 pm and Fridays until 8 pm.

147 Marina from Poland

A girl with hair on her chest who takes part in a water sports extravaganza! Yes its true, Marina is a 28 year old dark haired Polish girl who's very hairy with several long hairs on her breasts. Some men find that very sexy. We found what she was prepared to do for money very bizarre. Marina mightn't be the prettiest woman (far from it) but she make up for that by being overly adventurous in the vaginal department.

This video shows Marina indulging in all types of water sports, doing it. Doing it on a man. Doing it on a woman. Marina having a woman do it on her.

Regular sex follows: missionary, doggy style and some positions you'd think no woman would allow herself to be seen in, especially not in front of the camera. This is a truly kinky video. It is only recommended for fans of extreme water sports who are not easily shocked. If you want to see Marina doing water sports and having people do it on her - this is for you, but remember you have been warned.

It can be yours for only £19.99

149 Maxine - The College Girl

To me this is the best ever College Girl Video. If you enjoy teenage girls in their first flush of experience, you'll go mad for Maxine. What's so great about this video? Everything. The crystal clear clarity of the picture, the whole feeling of how genuine everything is ... you almost 'touch' the electric atmosphere. Maxine's boyfriend, Paul, insisted on staying in the room with her. At 18 years of age, she looked good enough to eat. One of the first things you see on this video, is me having a go with her - rubbing her amazingly firm little budding bosoms and licking those precocious innocent nipples.She kept looking at Paul as if unsure how he would react to her brazenness but he just seemed to get very turned on by it all. I was ready to do it with her as soon as I saw her and I only lasted a few minutes. Anyhow, Duncan our regular big boy stud took over. He rolled Maxine over and immediately gave her a good seeing to and ends by doing it over her face. Then it's over - she's done.

Join the fan club - get the video for only £19.99

152 Denise - Strict Madam

Denise is a Dominatrix. She is into dominating men and in this video she shows us what she's best at. The man is humiliated and humiliated again. He goes through all the extremities of the perversion, although he enjoys such treatment and he always manages to do something wrong so that he may be punished. He is dressed as a maid and has to wash her parts and then carefully dry and comb them but just let him dare make one wrong move not directly to do with his task! Look at him - pathetic wretch, in his neat and tidy skirt and pinny. He looks such a fool as she uses him. As a reward for being good, he is allowed to clean her leather boots - with his tongue. He goes too far and begs to be allowed to kiss her intimately. No! So instead, he steals a kiss of her bare flesh. She gets angry (genuinely so) and scolds him like a dog. If you're into female domination - great. If you want to expand your sexual horizons, let Mistress Denise show you how great domination and bondage can be. **Yours for only £19.99**

153 Sharon - "At least twice a day"

Sharon is a young lady with a rare difference - she loves sex! Sharon's almost addicted to sex! She's young, she's beautiful (don't believe me, just take a close look at her) and she's always on the lookout for different men to satisfy her sexual desires. The first part of this horny video shows Sharon doing it with her current boyfriend, Ian. There is complete, uninhibited intimacy as they rut away until Ian loses his load all over her face. It's a lovely scene where I got close-up after close-up especially when she starts to rub it all into her body. Sharon next pairs up with Clive, a 34 year old black man. Now, I've always wanted to see a white girl getting reamed out by the proverbially big black buck and here you get everything with a few extra dirty refinements thrown in, some of them only possible because of his prodigious size.To finish her off, Rob then shaves Sharon down there, a favour she returns before they get down to some serious action that can now be caught in even sharper detail.

"At least twice a day" Sharon is yours on Video for only £19.99

You know you're reading MEN ONLY

when it gets up and hits you in the eye

Independent market research shows that the *Men Only* reader is not only more intelligent than the magazine's editor, he also has a much bigger wozname, and can keep his end up in an on-going two girl lickety-split with butt plug situation for several weeks at a time. This is why the most beautiful new models insist on showing their gorgeous tip-tilted thingummies, round bouncy whatsits and naughty pink girlie bits in *Men Only* first.

WELCOME TO THE WORLD OF *FREE* SEX!

The country's leading compiler of lists of genuine females who want uncomplicated sex can supply the latest update containing hundreds of ladies who are desperate to meet men capable of fulfilling their desires. We have scoured the U.K. to find all the women who, for one reason or another, are not "getting enough" – some are married with husbands who are not up to it (or like the idea of a stranger taking the Mrs!). Some may be plain, others just insatiable while many are merely curious to experience sex fun with someone anonymous.

YOU CAN NOW MEET THE *"READERS WIVES"*!

No other organisation comes close - we have more girls searching for sex on our files than anybody else and all you need do to join the World of FREE Sex is to send £5.00 to cover the cost of sending our latest list, which will be accompanied by complete instructions of exactly how to go about meeting the girl of your choice.

WARNING!

MANY OF THE LADIES ON THIS LIST HAVE A PHOTO ACCOMPANYING THEIR PERSONAL DETAILS, A LOT OF WHICH ARE SEXUALLY EXPLICIT, THEREFORE IT IS FOR ADULTS ONLY.

Please send £5 Cash/Postal Order/Cheque to: WFS OFFER, (Dept.   ), P.O. BOX 171, LONDON E11 1SJ.

SPACED OVER AND OUT

As if there weren't enough repeats on telly anyway, **Dean Isherwood** offers you three video compilations of ancient but easy classics

Space: 1999
ITC Home Video
Certificate: PG

When *Space: 1999* began about two hundred years ago, I guess the producers thought that by now everyone would be walking around in silver stretch-pants and wearing poorly made toupes like the one Martin Landau sports in this slow-motion space soap. Like almost all sci-fi TV, *Space: 1999* suffers from the fact that it is inextricably a product of its age, in this case the 70s. So, instead of being an exciting star-drama, *Space: 1999 Volume Twenty* has become another dated cult 'classic' bought by irritating trendies who sit there going "Hey, those tight-fitting lunar tracksuits are a treat!" In short, *Space: 1999* has become a laughing stock. But then if this double-header of 'The Immunity Syndrome' and 'The Dorcons' *(Hey, aren't they those bastards who come round trying to sell you over-priced dusters? — The Ed)* is anything to go by, perhaps the series was made to be naff: the monsters aren't half as scary your average Friday night punter at The Ministry of Sound and you get better special effects by setting light to a box of matches. Still, it's an Easy Listener's dream!

Rating: ✓✓

The Saint
ITC Home Video
Certificate: PG

The only time most of us have seen the orignal episodes of *The Saint* (not those shite 70s ones with that geek Ian Ogilvy) was when we skived off school pretending we had 'sickness and diarrhoea'. Now you can relive those idle days spent watching daytime TV and masturbating till your knob went bright red with two more episodes of the 1960s detective thriller from ITC. Roger Moore looks completely cool throughout, his inert style of acting revealing him to be a major reserve of the world's supply of hardwood, while the viewer's attention span is severely tested by endless, static shots of every scene. Share with a bottle of cheap vodka and try not to laugh. Look out too for the original Saint car, a stylish but slow Volvo sports coupe.

Another "Hey, I used to watch that when I was a kid" telly series, this time for our more mature readers. But, unlike *Space: 1999, R&H* doesn't suffer from a rose-tinted rewind button: the stories are still good and the funny bits quite a giggle. There's plenty of fashion tips for Easy Listeners, a good line in cardboard sets and a succession of terrible characters in volume ten of this one-man-in-the-grave tec show. This is the sort of video you should buy for someone on their birthday just to show how cool you are, then steal back for yourself when they're not looking.

rising before you can say 'bonjour'! As you can imagine, my favourite part of Club is Tina's column and her selection of sexy outfits. Anyway, a while back my French maid fantasy became reality at a party I went to.

It was actually supposed to be a fancy dress party, and being my usual disorganised self, I'd left it too late to get anything decent from the local hire shop. The only thing they had left was a monk's costume, which consisted of a brown sack and a bit of rope, but I took it anyway.

When I got to the party it didn't take long for me to search out the best looking woman there. Her name was Suzie, she was about 22 years old, with long blonde hair and had squeezed her curves into a tasty French maid's outfit. Over a few drinks, I admitted that fancy dress parties weren't really my scene and that I felt a proper charlie dressed as a monk. Suzie agreed and then came up with a suggestion.

"Why don't we go where it's a little quieter," she said. "Like upstairs..."

She grabbed hold of the rope and led me up a flight of stairs until we reached the bathroom. We both ducked inside. I sat on the side of the bath as Suzie lifted my robe and began to fumble around for my cock. Grasping it firmly in her hand, she stroked it gently at first and then began wanking me harder. I tried to hold out, but Suzie seemed determined to make me come. After a few minutes her expert strokes had the desired effect and I shot a wad of spunk all over her pinafore.

By now I was desperate to feel my cock inside Suzie and, seeing the shower unit, I had a flash of inspiration. "Let's fuck in the shower," I suggested.

"Yeah!" she replied excitedly, turning on the shower and jumping inside. I quickly took off my outfit and joined Suzie in the shower. She hadn't bothered undressing and the sight of her soaked to the skin in a kinky French maid's outfit was like something out of my wildest fantasy! She bent over slightly, displaying her curvy bum cheeks and my cock grew hard again. "From behind," she said.

I eased her lacy white knickers to one side then, holding onto the walls, I manoeuvred myself so that my prick slid inside her pussy. Reaching around, I slipped my hand inside Suzie's top and began to knead her breasts. Each upward thrust inside Suzie elicited a louder moan till I felt her pussy walls clamp tightly around my cock and we both began to come.

By this time the two of us were absolutely drenched – but very satisfied. We decided to make a hasty exit and tried to sneak through the party crowd without being spotted. We failed and all our friends had a good laugh at us. Still, I did get the last laugh when Suzie took me back to her place to dry off. *– Damon, Ely*

DOUBLE TROUBLE

My name is Mandy and I've been sharing a flat with another girl, Annie, for two years now. We met each other at college and decided to share once our course had finished. We're quite different from each other, but there's one thing that we always agree on – sex. We're both very highly sexed, but it was only last week that I discovered just how horny Annie can actually be...

Annie suggested a night out in town so the two of us got dolled up to the nines and headed down to a pub near the seafront. The men couldn't keep their eyes off us, although I have to admit that we were both dressed pretty outrageously. On Annie's insistence we were both wearing matching fishnet stockings, short skirts and skimpy tops. I couldn't understand why Annie wanted us both to dress this way, but it soon became obvious.

"Ever seen a stripper before?" asked Annie. I shook my head. "Well, get ready 'cos here she comes... and it'll be your turn later."

Just then the music started up and onto a small stage came a tall striking

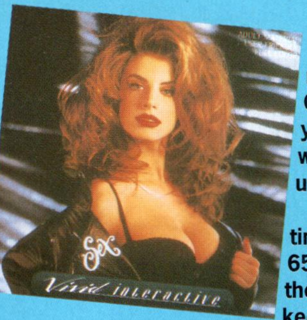
Design student Anna not only knows a lot about art, she knows what she likes too. “Big guys, getting drunk and hand rolled cigarettes,” she says with a knowing wink. Yeah, we know what you mean, Anna.

“There’s nothing better than one of those slow snogging days with a few beers, a couple of roll-ups and a fella who loves licking my pussy. The more we smoke and drink, the slower and

more sexy it becomes. Then I ease his cock into me and we begin to screw – but it takes forever. It takes hours and hours before we come. But when we do, it's absolutely mind blowing! Just like a good painting, it's the long, slow strokes that give the best results!"♣

LOVE BYTES

Club's techno-head and computer boffin, **Steve Duresse**, takes long, lingering look at the latest batch of sexy CD-ROMs...



Sex
Vivid Interactive

Thanks to the UK's censorship laws you may struggle to find *Sex* for sale over here. But believe me, if you spend a lifetime tracking this one down it'll have been worth every minute. Technically this is the finest CD-ROM I've ever seen. But it's far more than just a showcase of Vivid's multimedia mastery. It's a full-length movie, compressed to run happily on a CD-ROM, and stars gorgeous US porn queen Nikki Dial. For plot fans there's even a story of sorts...

It's Albie's birthday and he's invited two couples over to share a drink and discuss his disturbing lack of bedroom success. It's not long before they're all making up for lost time, and after five minutes you'll be gagging and shagging like the rest of them. No holds are barred, and nothing is left to the imagination. It's as classy as a Cantona shimmy, and there's even a panic button in case you're disturbed. Absolutely marvellous.

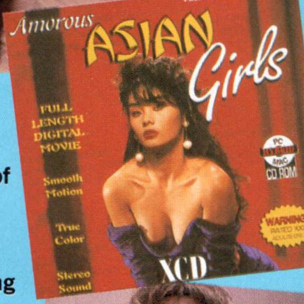
Amorous Asian Girls
XCD

This starts promisingly with six pictures on a brick wall – behind each of which resides a red hot video clip. Click on the one you want and watch as the action unfolds.

The total running time of the clips is 65 minutes, and it's the sort of stuff that keeps Kleenex in business. For the most part it's straight forward shagging, but the highlight must be the part where two starlets service each other with a giant black dildo. It's a fitting climax to the proceedings, in more ways that you can possibly imagine.

❤❤❤❤



Massive Melons
Romsoft

This, as the name suggests, is for fans of mammoth mammaries, and the action starts in the living room of a house. There you can choose to select a model, move to the bedroom or go outside to the pool. Once you've found the girl of your dreams, just click on her and you'll get a list of all that she's willing to do. The range for most of the models is extensive and colourful. Tit-fucking, oral sex and a sly hand shandy are all on the menu.

If the action gets too hot you can cool off by going for a boat, plane or car ride around the surrounding landscape – useful if your bird comes home

girl, dressed in fishnet stockings, suspenders and a black leather basque. As she began to dance, I found myself wondering how I would feel if I was flaunting my body in front of all these horny blokes. Excited, I thought. When she invited a bloke to unhook her bra, I started to feel my pussy juicing up. I was so absorbed that I almost missed her whipping off her g-string. Then I saw what the tease in striptease is. Everyone, including me, was dying to see between her legs but she mostly kept them closed, allowing us only brief glimpses of her pussy.

Then the music ended and the DJ made another announcement. "If any lovely lady fancies a go, tonight is amateur night with a bottle of bubbly for the naughtiest girl of the night." I was soaked between the legs with excitement, and it looked like I wasn't the only one either. Annie practically threw herself on stage!

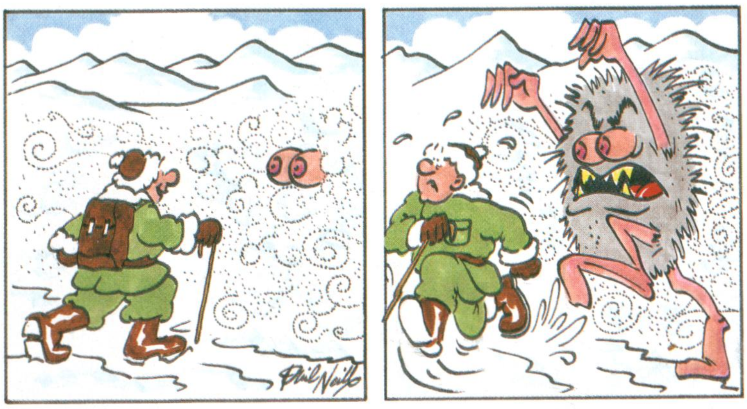
She's a real show-off and made sure the men got plenty of flashes of her pussy. She danced so close to one bloke that her pussy lips were gently brushing his face and his tongue kept darting into her slit, driving the crowd wild. At the end Annie jumped off the stage and stood in the buff among all these horny hunks. "Beat that!" she challenged me.

I had one problem. The strip part of my striptease was not going to take very long, because the short skirt and top was all I was really wearing. I never usually bother with undies. Sod it, I thought, all the crowd really wanted was cunt.

I got up onstage and soon got down in time to the music. I responded to the cheers from the crowd by hitching up my skirt, turning round and spreading my legs, then bending over so they all got a tasty rear view of my pussy. I danced so close to the front row that I could feel their hot breath on my pubes. I spotted Annie in the front row. She was still naked and wrapped round a bloke who was eagerly sucking her right nipple.

One bloke at the front, a real good looker, was there with his tongue literally hanging out. I moved closer until my wet labia rubbed against his tongue. He grabbed my hips, slid my pussy onto his tongue and lapped greedily at my slit.

Meanwhile, Annie was getting wanked by her man. His hand cupped her pussy, and one finger tickled her clit. I was feeling really horny by now, and peeled off my stockings and tossed them into the audience so I was completely starkers. The crowd went wild. Fired up, I stroked my pussy lips, then parted them, and pushed three fingers into my sticky hole. I pumped in and out, grinding my hips onto my fingers in time to the music. I frigged my clit at a rate of knots as I finger-fucked myself. I looked across at Annie who was now speared on her bloke's cock. She was moaning and threatening to steal the show with her fucking, so I threw my head back and screamed my way to a shuddering orgasm.



Annie had climaxed by now and, slapping the bloke's arse, she sent him up on stage. "I'm gonna give you a hard time," he said. That was fine by me! He picked me up and placed me astride his whopping 7-incher. The crowd started to chant, "Fuck! Fuck! Fuck!" in time to the powerful thrusts of his cock. He fucked me from behind, bent over a chair, standing up, in every position we could cram in! The crowd even shouted suggestions. There was a deafening roar when I finally came. His cock pulled out of my pussy just far enough for everyone to see his spunk shooting over my hole. Then he rammed it in and I came again. We sank back exhausted to a standing ovation.

Not surprisingly I won the bubbly for sexiest stripper of the night, which pissed Annie off a bit. Still, with three fucks that night, she couldn't really complain! We've been banned from the pub because the landlord thinks he'll lose his licence if we show up again. I guess we'll just have to find somewhere else to pull in the punters with our pervy performances. Any suggestions, lads?
